So how about those
4th period superstars. I'd
say the score will be about
24-1, because Marc's might
hit a homer, Ha! Ha! You've been
a great friend to me since 1st grade,
Though Andrea and you are too old for
babysitting, but you'll have a great time
in life, your friend,

Finally a senior with 2 weeks left!
Sounds good to me! Hope you

A Day in The Life Of A Tiller . . .

The clock radio goes off at six-thirty in the morning, five days a week and a student from **Tustin High** prepares for the day at school while listening to **Frazier Smith** of **KLOS**.

He then comes on campus at **seven forty-five** to make it to class by **seven fifty-five**. The student attends two classes — P.E. and Biology. He then gets a break for snack and has time to visit with friends. Then it's back to the grind of school where the student attends one or two more classes and then gets a break for lunch. There is just enough time to wait in the lines — which seem like forever — and get the food and eat because then it's back to class. Some students only have a five period day so they go home and watch **General Hospital**. While other students attend a sixth class or go to their athletic class. After a long day the student finally gets home and has dinner and then it's off to another event at school. By the time he gets home he is tired and falls asleep and then, thank goodness — it's the weekend!

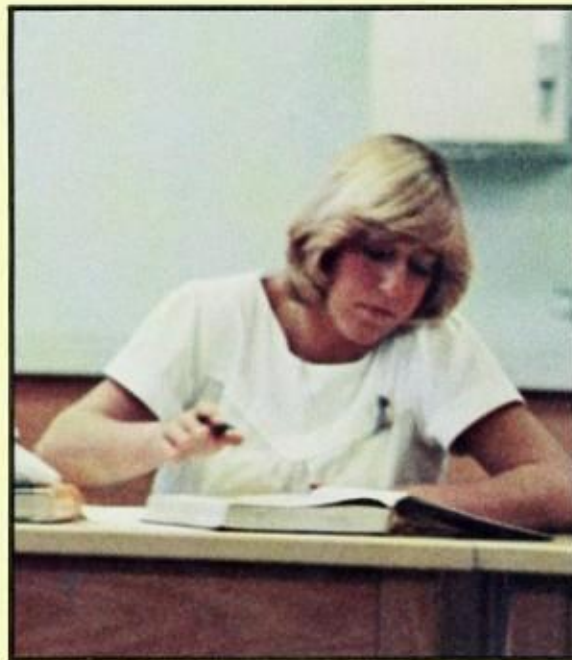

1. Student's walk on campus at seven-fifty in the morning hoping they won't be tardy for class.
2. **Charles Woo** hurries up to get to class before the bell rings.
3. **Leslie Rohrbaugh** studies quietly in Biology.
4. **Chris Kent** goes to his locker after a long day at school.
5. Students attend a game on Friday nights.

GEE Bill,
 I'm glad I met you
 this year! "It's that or well
 we'll know each other for
 centuries it seems! But still we haven't
 talked much in the last couple of years,
 But anyways I hope to see you soon, and
 Take totally good care of yourself & don't work
too hard in college
 Love in Christ
 Larry

Don't ever forget
 you're A L I K E
 at heart
 P.S.

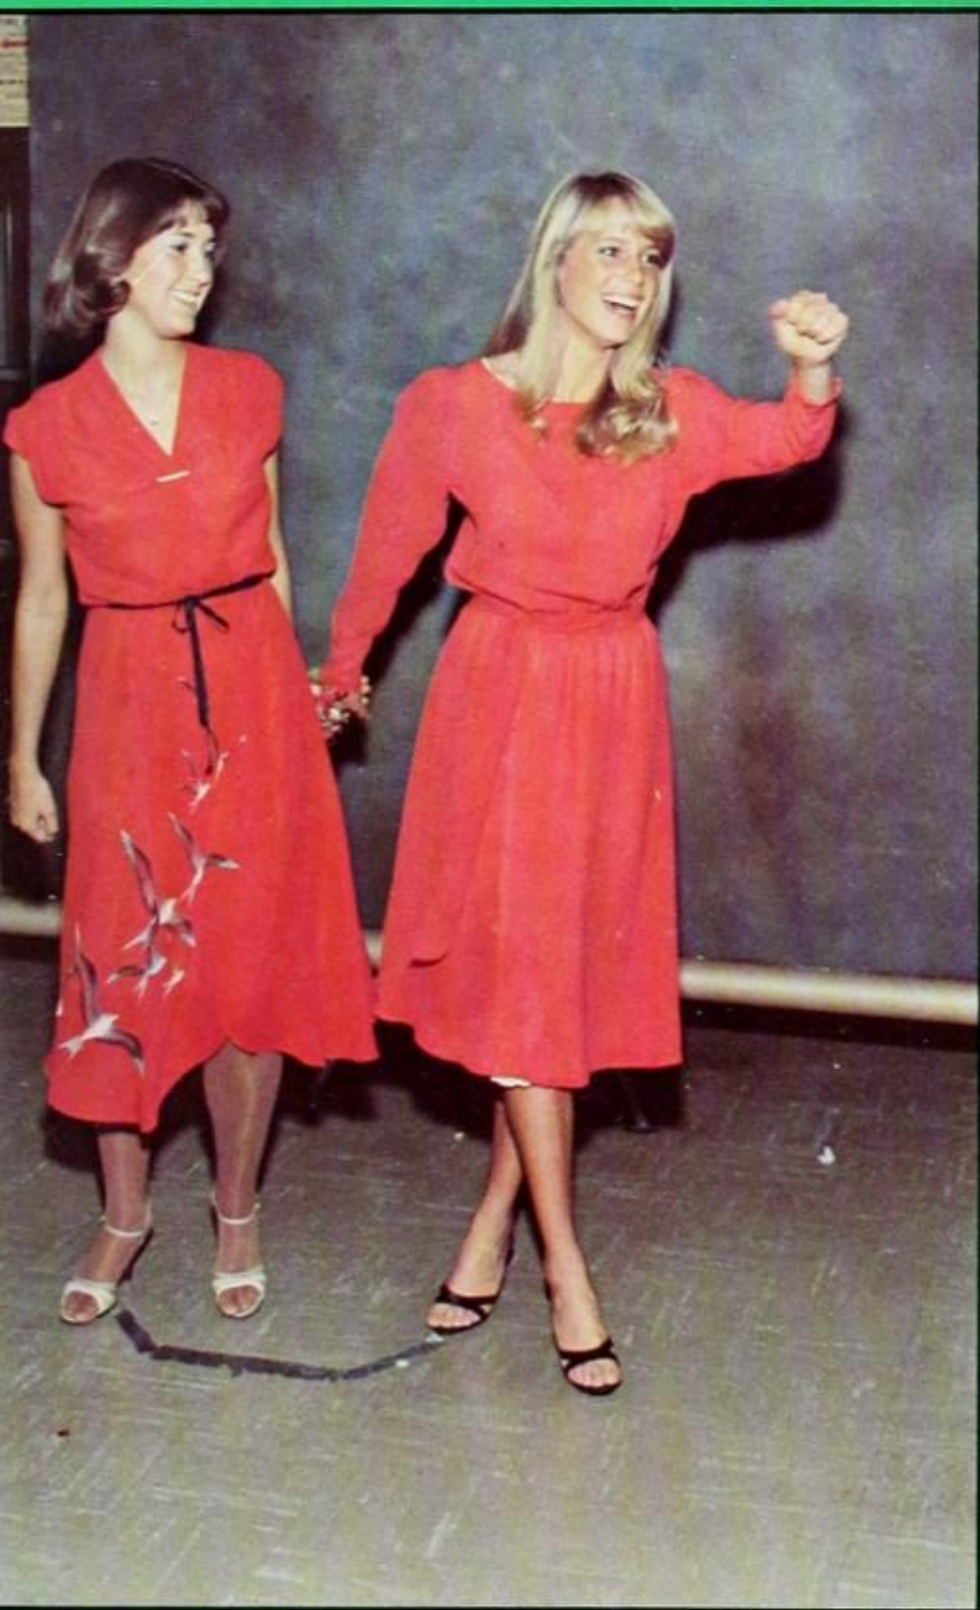

Thank You For Being A Friend

Question: Who knows all about you, but likes you anyway? **Answer:** A friend. When you're down and troubled and need someone to listen to your problems, a friend is always there.

A friend is someone you can share all your secrets with and enjoy good and bad times with.

Students Enjoy Special Times

There are many special times during high school. The first day as a freshman, Homecoming, teachers and graduation. A special time can be a quiet time or a time spent with friends at the pizza place. When friends that have graduated come back that's a special time too! These moments will brighten up a day and put a smile on a face! High School . . . these are very special times!

Homecoming Week Was "A Great Success"

Homecoming week began on the 19th of October. However, Tony Choi began preparing for it back in June. His dreams soon became realities and Homecoming Week truly "was a great success", stated Choi.

The Tillers showed their pride and spirit by supporting the events during the week. The Tillers displayed enthusiasm through all the events including: the guzzling contest, the class dress-up, the apple bobbing contest, the pancake breakfast, the Tiller Fair, the pool competitions, the trash can tug of war and the obstacle race. In the obstacle race teachers worked together, with students to achieve victory, which was Homecoming's purpose. To unite all Tillers into one body, the spirit of victory!

Homecoming Dance Was The Best Of Times

"This years homecoming dance was perhaps one of the most memorable and unique dances in the school's history," said Senior class president **Kathy Kale**. The dance was held in the quad on Saturday evening, **October 24** literally "under the stars." Music was provided by the band "Evergreen", who performed old songs by the **Beatles**, and the **Doors**. They also played contemporary songs of groups like **Journey** and the **GoGo's**. The country club-like setting employed tent awnings in the quad and set an informal atmosphere. Many students liked the outdoor setting, as it gave more room for everyone to move around. The dance truly lived up to its theme. It was "**The Best of Times**".

1. Queen **Joy Borden** and escort **Mick Danskin** walk out to the dance floor for the Queen's dance.
2. Couples slow dance and sway to the music of **Evergreen**.
3. Princess **Dina Andrews** and date **Steve Crecion** get starry-eyed about the Best of Times.

The Return To School And Dances

Do you remember the fourteenth day in September? That is the day we renewed friendships and returned to school after a long summer break. Earlier in September we registered for classes, and for the freshmen it was a hassle since it was their first time. Getting back into the swing of things was hard at first, but we all adjusted. There were some changes around campus too, a new assistant principal **Mr. Brock Wagner**, no more towels for P.E. because of budget cuts and the addition of some new staff members.

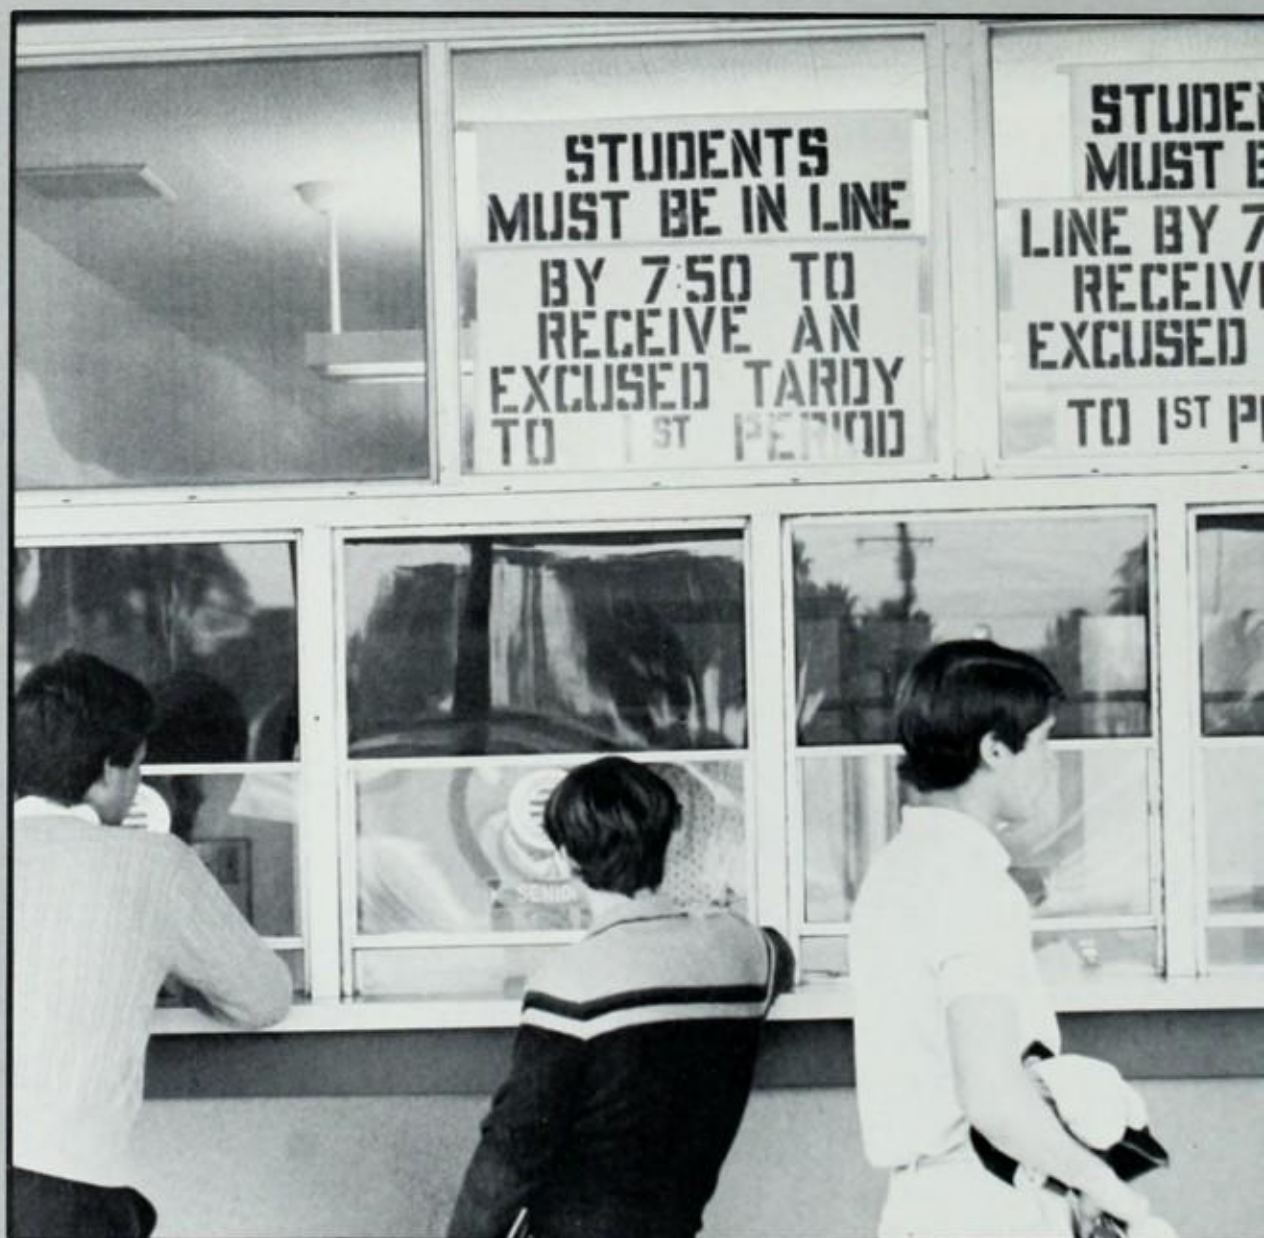

Once back the first activity we looked forward to was a dance. Dancing is something Tillers enjoy, one can tell by the turnouts at the various dances. There are the back-to-school, fundraiser and formal dances. One can see students doing the slam for punks, gatoring for preps and slow dancing for lovers. Music is played either by a disc jockey or a live band, they play popular tunes by Styx, Journey, Led Zeppelin, the Go Go's and the Doors.

Fundraisers Help Support Assemblies

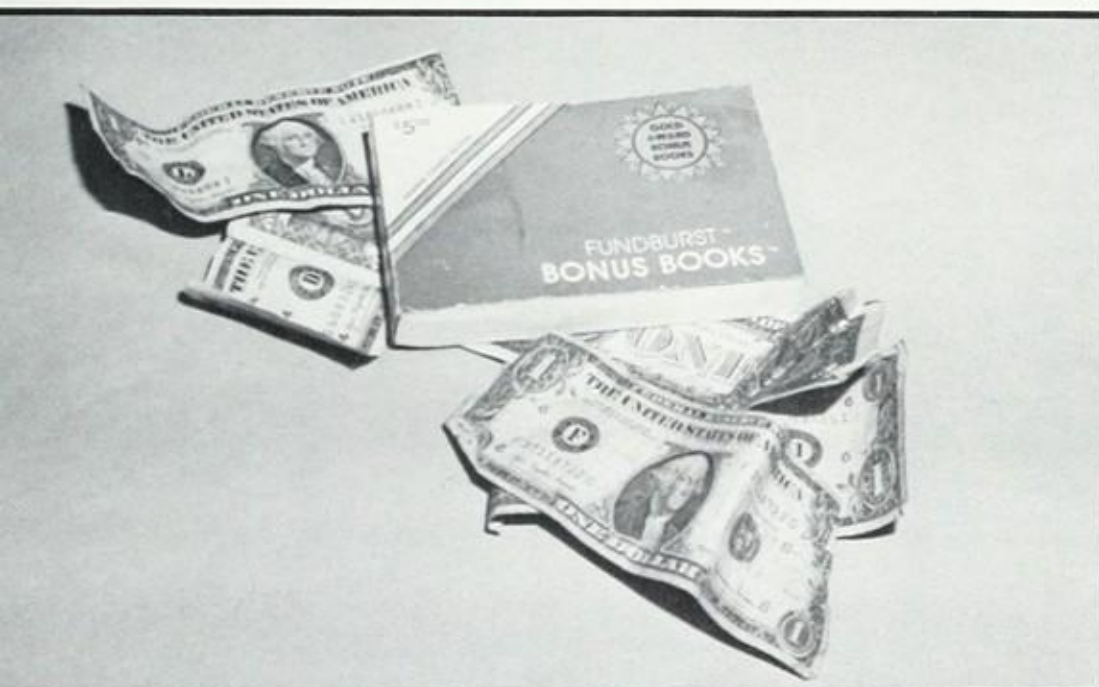

Pep and entertainment are the two type of assemblies that occur at THS. The pep assemblies are held to promote spirit before a big game. Sponsored by the pep squad, pep assemblies have fun activities planned for the students, including mothers being the "new" cheerleaders and class competition events for spirit points.

The entertainment assemblies are ones like the Winter Assembly, the Camfal video slide show and concerts by such groups as Papa Do Run Run. These assemblies sometimes highlight students' talents.

Money, Money, Money, that is what we need to survive with, but how do we raise it? Fund raisers of course. Organizations raise money for activities by selling candy, stuffed animals, tee shirts and the ever popular gram which comes at Halloween, Thanksgiving, Christmas and Saint Patrick's Day. The money raised enables the ASB to put on more assemblies and for organizations to sponsor dances and visit cultural centers in the area.

Performing Arts Presents "Cuckoo's Nest."

The Tustin High Performing Arts Department presented their fall productions of "One Flew Over the Cuckoo's Nest" during the nights of Dec. 3-4 and 11-12 at 8 p.m. in the campus' Little Theatre.

"One Flew Over the Cuckoo's Nest" is about a mental hospital which is strictly controlled by a domineering woman known in the ward as the "Big Nurse." She is ultimately challenged by **McMurphy** a brawling, fun loving man who is transferred to the ward from a jail in which he managed to get out of because he was believed insane. Once in the hospital he manages to promote gambling and the smuggling of wine and women in an attempt to cheer up the lives of the patients, ending in a final confrontation between him and the Big Nurse.

Donkeys and Faculty Dump Students

The faculty defeated the students 20-18 in the annual donkey basketball game on Tuesday February 16, in the THS gym.

During the first half, the varsity pep squad took on the faculty. The teachers took a 10-6 lead with Mrs. Cheryl Denio leading the way with eight points. Dina Andrews scored all six points for the students.

The second half pitted the faculty against six male athletes. The students came back behind Jim Axelson's shooting, but could not quite catch the teachers. Axelson scored all of the students second half points while coaches Bob Michel and Rick MacElwain led the faculty. The student team consisted of Andrews, Axelson, Jean Belodeau, Marcy Brown, Chris Dobak, Mike Frank, Mark Grace, Dawn Howe, Jamie Nelson, Mike Parker, Courtney Piazza, Barry Porter, John Shields, Stephanie Smith, Shelley Strom, and Lew Wong. "It was the best dance of the year," said freshman **Cheryl Hart** about the **Papa Do Run Run** dance. The dance which was held **February 19** had an excellent turnout compared to dances past. Sadie Hawkins '82 was held **March 12** in the cafeteria and sponsored by the Band. The theme was **Moonlight and Starlite** and freshman **Angela Hershfield** said "The dance was really fun and everyone had a good time." Events Happening In the World Around Us

Achievements

On April twelfth the first space shuttle was put into orbit. Americans watched with pride and wonder as the one hundred and twenty-two foot long **Columbia** was launched from **Cape Kennedy, Florida**. After a successful voyage and seven months of preparation the **Columbia** went up again making it the first reusable space-craft.

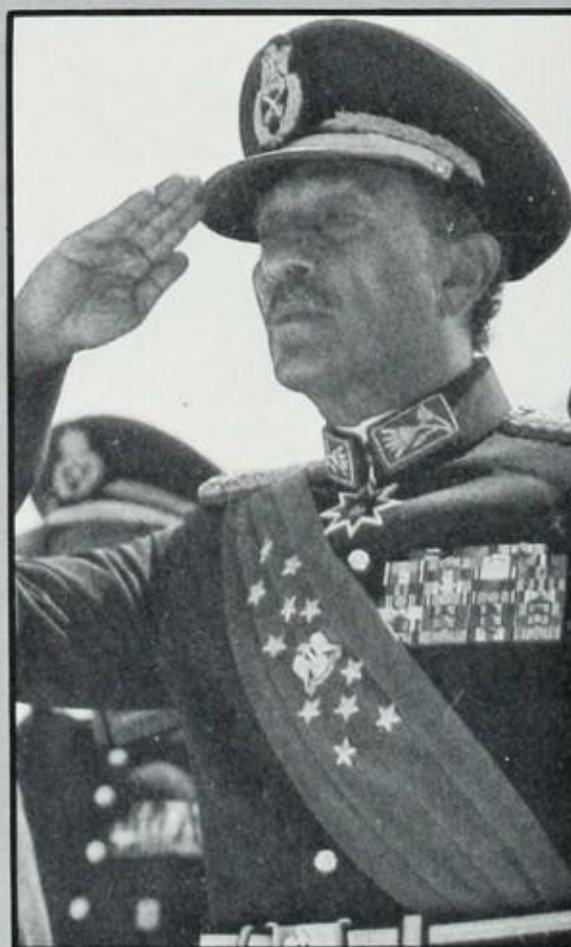

World Happenings

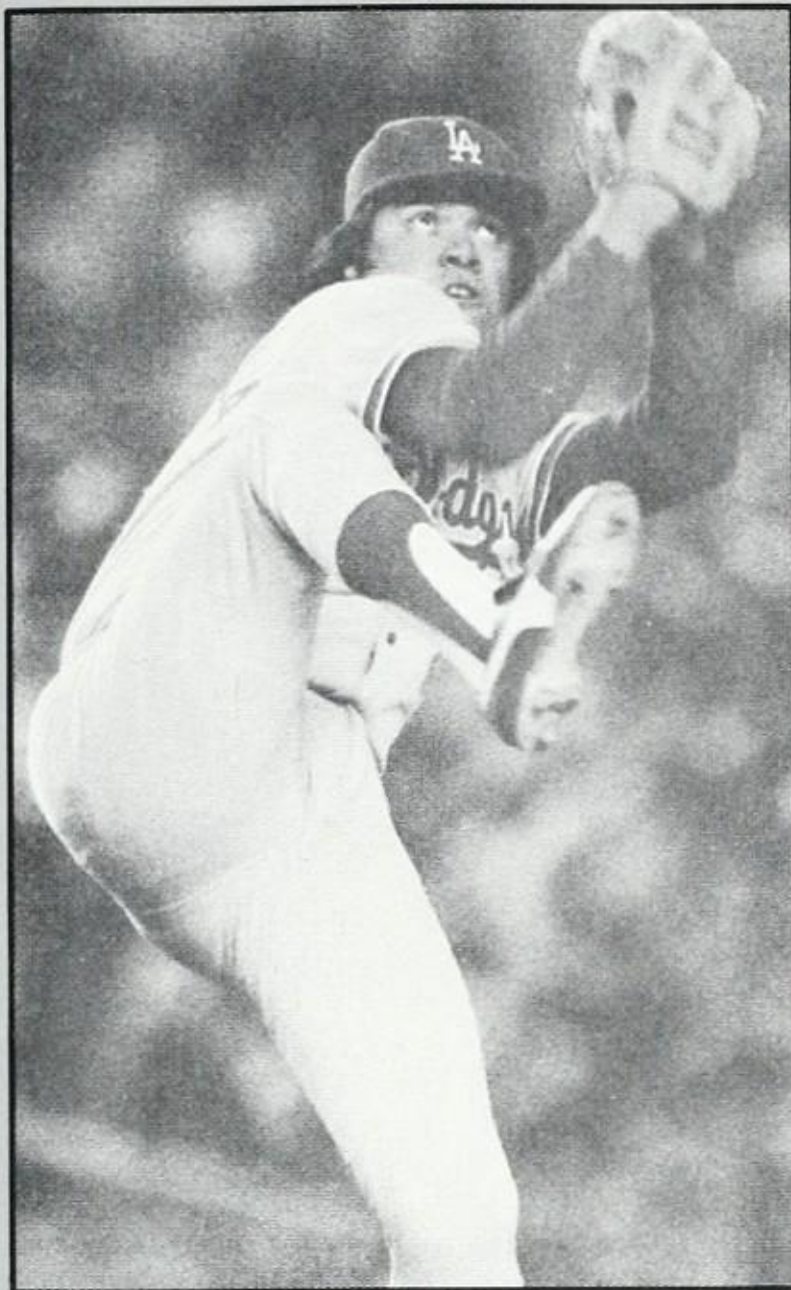

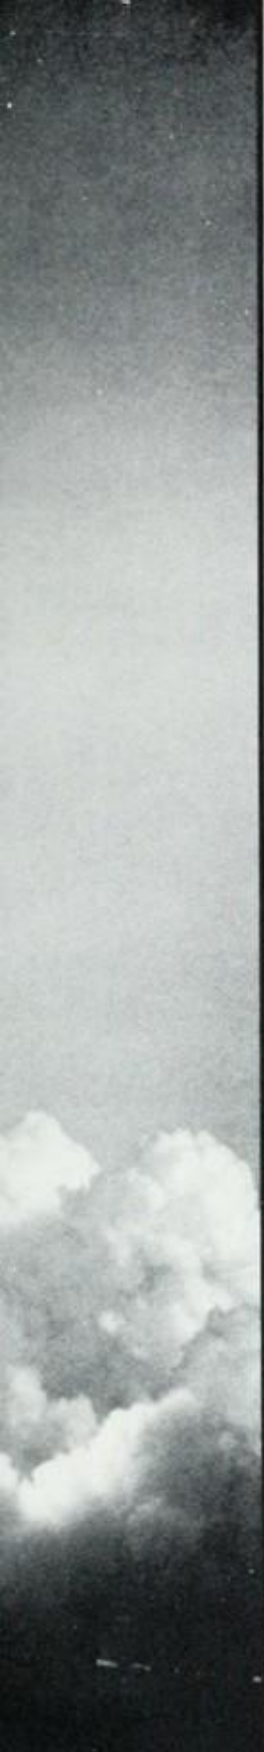

General James Dozier, the highest ranking officer at NATO's Southern Europe Land Headquarters, was kidnapped in **December** by a group of terrorists. The terrorists, called the **Red Brigades**, held the general in captivity for forty-two days. On the forty-second day, an anti-terrorist group, the **Leatherheads**, raided an apartment in **Padua, Italy** and rescued the unharmed general. Not only has there been an increase in **terrorist** activity in the world, but there has also been a string of **assassinations** and attempted assassinations. **Egyptian President Anwar Sadat** was assassinated while reviewing a military parade; and both **Pope John Paul II** and **President Reagan** have been targets of attempts. In **Poland**, the **Solidarity Union** made remarkable progress for a workers party in a communist country. Perhaps they made too many advancements, for in **December** **General Jaruzleski** declared martial law in Poland. Some **Solidarity** leaders were imprisoned, including **Lech Walesa**. The exact figures of how many people died, were imprisoned, or injured are unknown because communication with the outside world from within **Poland** was cut off. The **Polish** ambassador to the **United States** thought the situation was so horrible, that he and his family defected to the **United States**.

High Society

For the first time in 300 years a British subject married an heir to the English throne when **Prince Charles of Britain** married **Lady Diana Spencer** in the wedding of the century. An estimated television audience of **750 million** watched the fairytale wedding held at **St. Paul's Cathedral** on **July twenty-ninth**. Just when the excitement of the wedding had died down, the couple announced that a royal heir was on the way.

Sports

1981 will be remembered for many things, but for baseball fans it will always be the year that **baseball stopped**. The team owners wanted to restrict free agency, a right the players earned in court. So the players walked out. When a compromise was finally reached, a third of the season had been lost and it seemed as though neither side had won. The **baseball season** wasn't a total disaster, there were some good points. One such event was when **Pete Rose** broke the **national league record** for career hits. Another good point was the terrific performance of **Los Angeles Dodger pitcher, Fernando Valenzuela**. The twenty-one year old **Mexican** not only led the **National**

League in completed games, shutouts, strike outs, and innings pitched, but also became the first player to win both the **Rookie of The Year** award and the **Cy Young** award in the same year.

The **Los Angeles Dodgers** defeated the **New York Yankees** in the **World Series** after losing the first two games to the **Yankees** and coming back to win the next four. The Most Valuable Players for the series were **Pedro Guerrero**, **Ron Cey**, **Steve Yeager**, and in football **USC's Marcus Allen** won the **Heisman Trophy** rushing for over 2,427 yds. and the **San Francisco 49ers** beat the **Cincinnati Bengals** in the **Super Bowl**. Little known **Clemson** won the **National College** football crown.

Students Create And Display Talent

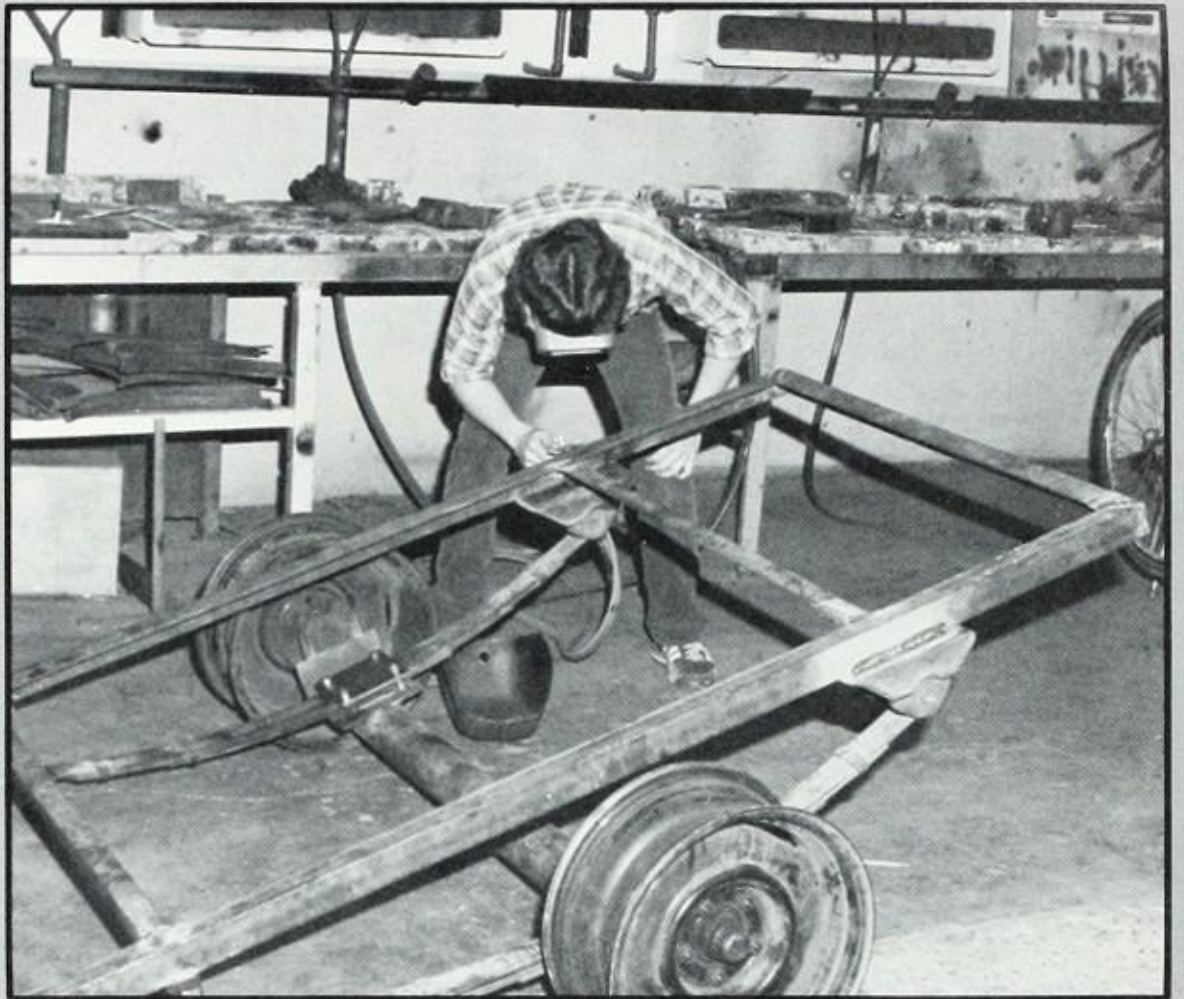

In classes such as Ceramics, Drawing, Stain Glass, Wood Shop and Metal Shop students are given the chance to find themselves and express themselves through their work. Everyone has talent whether it be in singing, dancing or some other art form. Students just need to find out what their talent is and express themselves.

Organizations Active On Campus

Organizations such as A.S.B., Pep Squad, Senate and the Marching Units are the leaders of the school organizations. Clubs and groups on campus do many things for the school and community. The main purpose of campus organizations is to have fun, meet new people and be a service to the school.

ASB Makes Student Life More Fullfilling

ASB — From Homecoming to the Prom, Tustin High's Associated Student Body Cabinet has worked hard to make life on campus more enjoyable and fulfilling. Planning activities that involve a greater number of people and that cater to student tastes has been a major goal of the cabinets. Tustin High offers students the opportunity to become involved in a wide variety of activities. ASB sponsored activities and their support of forensics, athletics, newspaper and drama combine to create a fairly diversified campus life. The ASB has tried to be receptive to the ideas of their fellow students and to improve life on campus by incorporating these desires in activities. Much time, organization and elbow grease goes into planning and coordinating of a activity. Dress-up days, spirit points, class competitions, pep rallies, assemblies, conventions, elections, after game dances, **Papa Do Run Run**, powder puff football, homecoming and pep weeks are all the result of creative and hard work of class and ASB officers. The advisers for the ASB this year were Mrs. Pam Montgomery and Mr. Bob Boies.

Students Have Say In Government

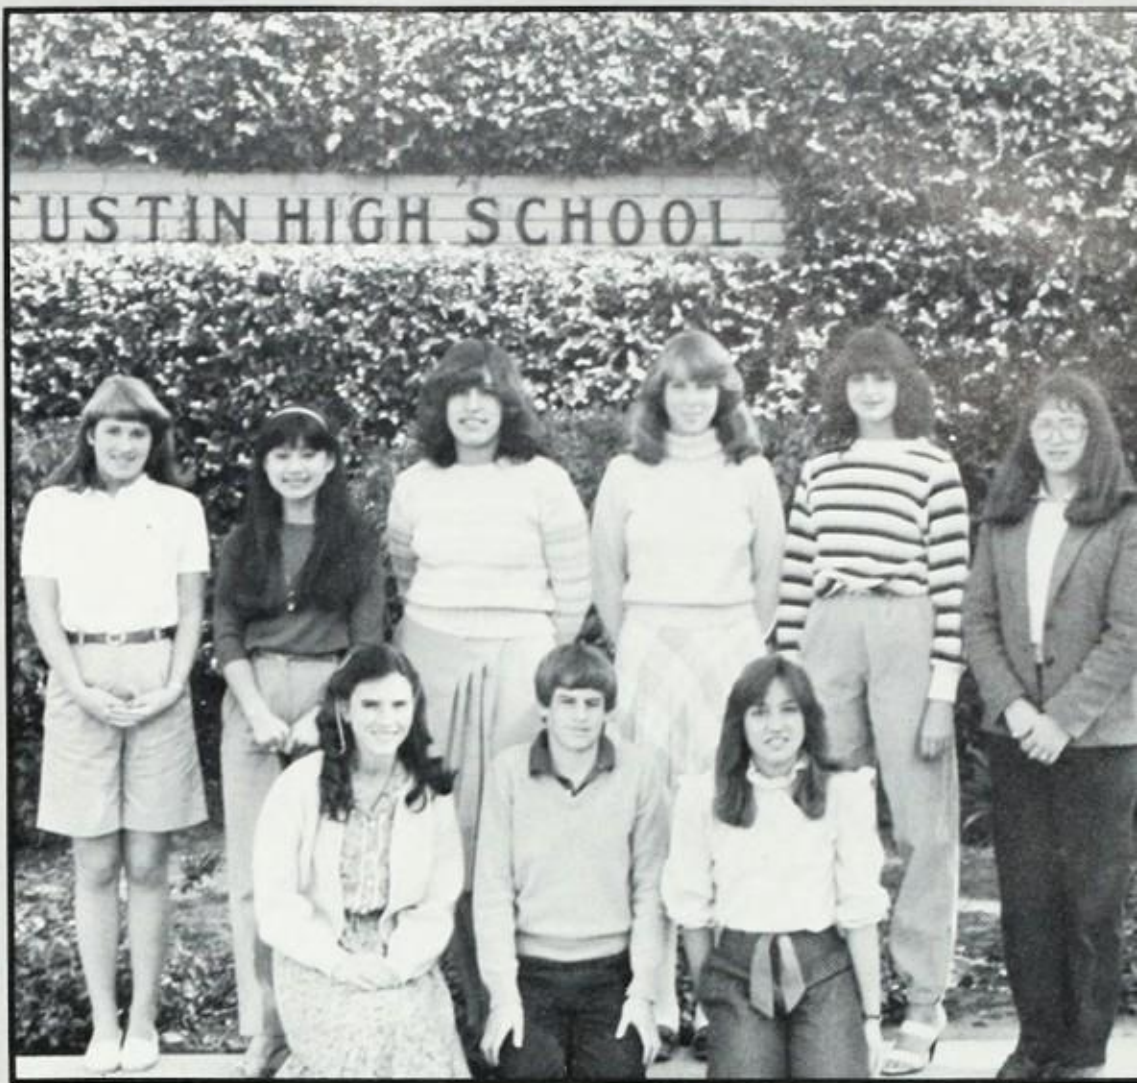

Senate — Is a legislative body that allows more students to become involved in student government. Not only do these students legislate, they also take part in other activities. As an individual group the **Senate** has gone caroling, has had a paper drive, and senators make important decisions on things such as the cap and gown colors.

1. **Vice-President of the ASB, Mick Danskin**, is head of the **Senate**. Mick ponders about when the next Senate meeting will be.
2. **Junior Senators** — Kevin Wheeler, Leslie Allen, Rob Leiter, Curt Castellonet, Hunt Drouin, Susan Kowalski, Marilyn Ameer, Laurie Smaglik, Sharneth Scott, Dina Sherman, Lisa Duncanson, Lynn Johnson, Debbie Young.
3. **Freshmen Senators** — **Front Row:** Stephanie Anabo, Vickie Caruso, Meagan Crosby, Dana Hart, Laurie Kappell, Julie Kramus, **Up a tree:** Susan Hickman.

Rowdy Rooters and Boosters Promote Spirit!

Let's get a little bit rowdy R-O-W-D-Y. The purpose of the Rowdy Rooters is to promote spirit at all sporting events. The rooters could be seen at these events yelling, playing trumpets, bongos and cowbells. They were also seen dressing up at various times. The rooters are led by officers: **Courtney Piazza, Jill DelCognale, Tony Jasica and Hunt Drouin.**

The **Athletic Boosters at Tustin High** are led by President **Mrs. Cecilia Hinkle**. Their purpose is to support all sports equally, get good attendance at the sporting events and develop funds to maintain the sports program. Recently the **Boosters** helped purchase the new pool and the soon to be completed weight room. The funds they raised helped pay for uniforms, awards, equipment and maintenance of the fields.

During the football season the **boosters** would meet after the games at **Arthur's** and hold meetings to watch game films on Wednesday night.

The Athletic boosters are not the only boosters led by parents. There are also the **Marching Units boosters**. Their President is **Mrs. Sara Borden**. They help in financing trips, like the one last year to **Hawaii**, help purchase new uniforms, and other things needed by the students.

Spirit: The Main Ingredient

Take twenty-six members of pep squad and people filled with enthusiasm. Mix well. The result? A spirited school!

When viewed objectively, **THS** is a really spirited school. At least half of the student body dresses in black, red, and white on color days. Then there are those that scream and shout till they die at sporting events. Even teachers are spirited — they dress in school colors and participate in activities. But the one group that really heightens the school spirit is the **Pep Squad**. Throughout the year, they make signs for games, decorate the lockers of athletes, and do millions of important things. They are spirit leaders!

1. Cheerleader **Kristi LaBonte** yells her heart out for the sophomores.
2. Varsity cheerleader **Dawn Howe** pins a carnation on football player **Don Powell** during a pep rally.
3. Senior pep squad members **Jean Belodeau**, **Courtney Piazza**, **Dina Andrews**, and **Tammie Armenta** cheer on the "Preppy" VW during Homecoming festivities.
4. JV cheerleaders root on their team on a Saturday morning.

The Tiller Band Plays On . . .

The Tiller Band enthusiastically began the school year, following their much publicized, and successful 1981 Hawaiian tour, in which they brought home four trophies, including: a sweepstakes trophy and two first place trophies.

The year marked the first time the Tiller Band competed in field show tournaments, and the results were very satisfying, two first places awards.

The Tillers entered various parades throughout Southern California, including: The Tustin Tiller Days Parade, the Bellflower Parade, the Oceanside Parade, and the SouthGate Parade in each of these events they brought home one first, two second and one third place trophy.

Pride, Poise and Perfection Mark Marching Units

Under new adviser Mrs. Diane Young the units of Drill Team, Tall Flags and Banners saw many changes.

When try-outs were held last May the final results saw a larger Tall Flag squad and the addition of freshmen to the Drill Team.

They also managed to acquire new uniforms. This was possible by participating in many fundraisers such as selling soap, THS mugs, stuffed animals, calendars and ornaments.

The Tillerettes attended the United Spirit Association Camp in Santa Barbara during the summer and the Tall Flag team came home with a third place. In competition during the school year they placed second in the Bellflower parade and in the LaHabra Field tournament the Tall Flags placed second while the Drill Team and Banners placed fourth. The squads are led by Chris Chaves, Martha Mendez and Karen Young for the Drill Team, Sharneth Scott and Rhonda Woodside for the Tall Flags and Chris De La Torre for the Banners.

The Majorettes are led this year by Captain Joy Borden and Adviser Donna McGee. At summer camp the majorettes received an award for hardest working squad and took a fifth place in competition. At the Tustin Tiller Days parade the squad took first place.

Thespians and AFS Add Flavor to THS

Thespians — One of the most talented clubs at THS. This talent is noticeable in the superb productions throughout the year as well as the non-conformist and refreshing individualistic attitude each member of the club holds.

The members of the **Thespian club** are involved with every aspect of play production. This enables them to gain experience in such things as set construction, ticket sales, publicity, and costume. This year, the **Thespians** produced "One Flew Over a Cuckoo's Nest," which turned out to be a great success.

To this success the **Thespians** owe the hard-working members of this club, and especially **President Steve Boe**, and **Adviser Mrs. Lisa Roseman**.

AFS — A group dedicated to the promotion of world friendship and understanding. It is involved with student exchanges with various countries and hosts foreign students on the **THS** campus.

During the summer students **John Ellis** and **Doug Sparke** went to the countries of **Portugal** and **Japan** through the student exchanges. **Senior Cara Zafuto** spent the year in **England** and **THS** had foreign students visiting the campus including: **Despina Tsirba** from **Greece** and **Debbie Fritihof** from **Sweden**.

This year the club is led by **President Jim Scullin** and **Adviser Mr. George Trotter**.

Audion, Broadcaster Staffs Produce Quality Publications

Production on the 1982 Audion began back in 1981. Editor Rene Matz started making plans on the book as soon as staff positions were announced. During the summer she attended a workshop at Biola College to sharpen her skills and get new ideas.

When the school year began the twenty-four member staff found out there was a lot to be done. To learn new techniques the staff attended a one-day workshop in Hacienda Heights sponsored by Herff Jones publishing company.

The staff faced many deadlines throughout the year and met them successfully with the help of Adviser Mr. Dennis Boucher, Photography Company Albert and James and Herff Jones representatives, Greg Hemsoth and Larry Kluss. Members of the staff also attended the Journalism Education

Association convention in San Francisco during April. The 1981 Audion won first place from A.S.P.A.

The Broadcaster editors were selected in May of 1981 and immediately began production on the June issue. This helped them prepare for the coming year.

During the summer, editors attended a workshop at Cal State Fullerton to learn new journalism styles in layout and copy. Those that attended were: Editor-In-Chief Michelle Leon-Guerreo, News Editor Courtney Piazza, Feature Editor Adrienne Nedler and Ad Manager Sherrie Miller and Editorial Editor Susan Ward.

The staff had some new requirements set down at the beginning of the year. They would come out with a bi-weekly four page paper, which meant deadlines would be not as drawn out as in the past. At the semester a new adviser Mrs. Ellen Berry came in to take over for the retiring Mrs. Pam Montgomery.

THS Experiences Cultural Diversity

LATIN — The Tustin High School Latin Club was formed in order to give each individual a better understanding of Ancient Roman and Greek Civilizations. However, this club was not formed for only serious study. They have seen "The Trojan Women," by Euripides, and have also had a Roman Toga Party. This disparity between activities can be attributed to the officers of the club, President Michael Belles, Vice-President Beth Greenberg, and Adviser Ms. Ellen Berry.

VIETNAMESE — The Vietnamese Club functions as a focal point for the Vietnamese students of Tustin High School. They publish student-written articles in Vietnamese in a magazine each semester. This club also organizes social activities and sporting events throughout the year.

The largest of these events has been the "Tet" New Year program in February. All of the Vietnamese clubs from Orange County high schools assemble to celebrate the coming of the New Year. They present to each other the songs and dances of Vietnam.

These activities result from the dedication of the officers and members of the club, as well as the faculty adviser, Mr. Leon Smith. This year, the President is Minh Khuu, assisted by Vice-Presidents Dung Lee and Hoat Nguyen.

Art Club, Satori And Speech Involve Students

Art Club — Under the direction of adviser Mr. Dennis Boucher and President Brett Thiebolt the art club got off to a good start this year. The club sponsored several successful ceramic sales during the course of the year. The funds go toward scholarships, new ceramic equipment and field trips. "This year has been a productive one" said President Brett Thiebolt. Steve Rohrbaugh took top honors at the "Color It Orange" art show sponsored by the Laguna Beach School of Art. He won out over 3000 students and won a scholarship to the school.

Satori — The "Satori", the schools literary magazine organizes itself in the second semester of the school year. The Satori features student contributions of art work, poetry and short stories. The magazine is distributed at the end of the year for a small amount of money. Ms. Lindlee Barry is this year's adviser.

Speech — Frances Kelly, a speech team member stated "That this year's speech team is stronger than ever." The team has won several events throughout the year and recieved special recognition at one of the school board meetings for their outstanding achievement. They have also had fundraisers this year which include the sale of bonus books, boo grams and crystal dishes.

Students Participate In Sign Language And Moto Cross Clubs

Sign Language — The SLA has been involved in various activities this year. In October seventy-five members saw the Broadway award-winning play, **Children of a Lesser God**. In December and May the club enjoyed California State University, Northridge's Sign Singing performances. In February the students observed **Handicap Awareness Week**.

Money was needed for transportation to these performances and for scholarships for seniors continuing their education in the field of auditory/communication handicaps, so fund-raising projects were undertaken. All year long, books, T-shirts and many sign language items were sold. During the Homecoming Fair, **See's** suckers, licorice and jelly beans were sold. A Christmas raffle, which gave away turkeys, dinners, and gift certificates from local merchants, raised approximately \$400.

The club experienced an exciting, fun-filled, and rewarding year due to the hard work of its officers and adviser, **Mrs. Dawn Wilson**. Many thanks go to President **Linda Bahret**, Vice President **Coleen Szabo**, Secretaries **Roxanne Estrada** and **Joy Woolford**, Treasurer **Steve Kimes**, and Representative **Marilyn Ameer** for jobs especially well done.

Moto-Cross — The Moto-Cross team started off the season by winning their first two races. In the first race they beat **Ramona** and **Upland High Schools**. In the second race, they beat **Hemet** and **Magnolia High Schools**.

All the moto-cross races are held at **Corona Raceway**. When the team isn't racing they practice at **Saddleback Park** or at a track at the end of **Newport Blvd.**

The team races against fifteen other schools, with six schools in their league. Their two sponsors, **Chuck's Steak House**, who gave them a place to meet, and **NGK Spark Plugs**, who supplied spark plugs for each race, were a great help.

Tiller Clubs Involve Students In Weekend Activities

Backpacking — Is one of Tustin High's few "year-round" clubs. The club has at least one outing scheduled every month and during the summer months there are usually two trips. In the past years they have found themselves hiking in rain, snow, hail and fog. The highlights of the year are their climbs to the tops of **Mt. San Jacinto** and **Mt. San Geronio**, the two highest peaks in **Southern California**, as well as their traditional ten to fourteen day exploration of the **Sierra Nevada**. The officers are President **Curt Castellanet**, **Christiana Haselton**, Vice-President and Secretary-Treasurer **Darren Purser**.

R-C Club — They meet weekly on campus to promote general interest in the radio control field. Many of the students at Tustin fly model airplanes. The club flies weekly on campus during snack and occasionally at lunch. They also fly Sunday mornings at the **LTA Base** in **Tustin**. The sponsor is **Mr. Steven Beck**.

Ditto Club — The club is in its first year of existence; the purpose of the club is to have fun and go swamp skiing in **Guam**. The club's President is **Kathy Kale** and the sponsor is **Mrs. Sharon Seidenberg**.

Clubs Promote Academic Excellence

Chess Club — The Chess Club this year was again affiliated with the Orange County Chess League. Under the able leadership of president **Ken Carlisle**, **Peter Laubach**, Vice President, and **Jeff Rogers**, Treasurer, the club competed with four other high school chess teams. The Chess Club also sponsored a tournament for THS students, and some instruction by a former student, **Ev Bieger**, to help the team improve for next year's competition. **Ev Bieger** was one of four players on the Cal State Fullerton chess team which recently captured the U.S. Chess Championship held in New York City.

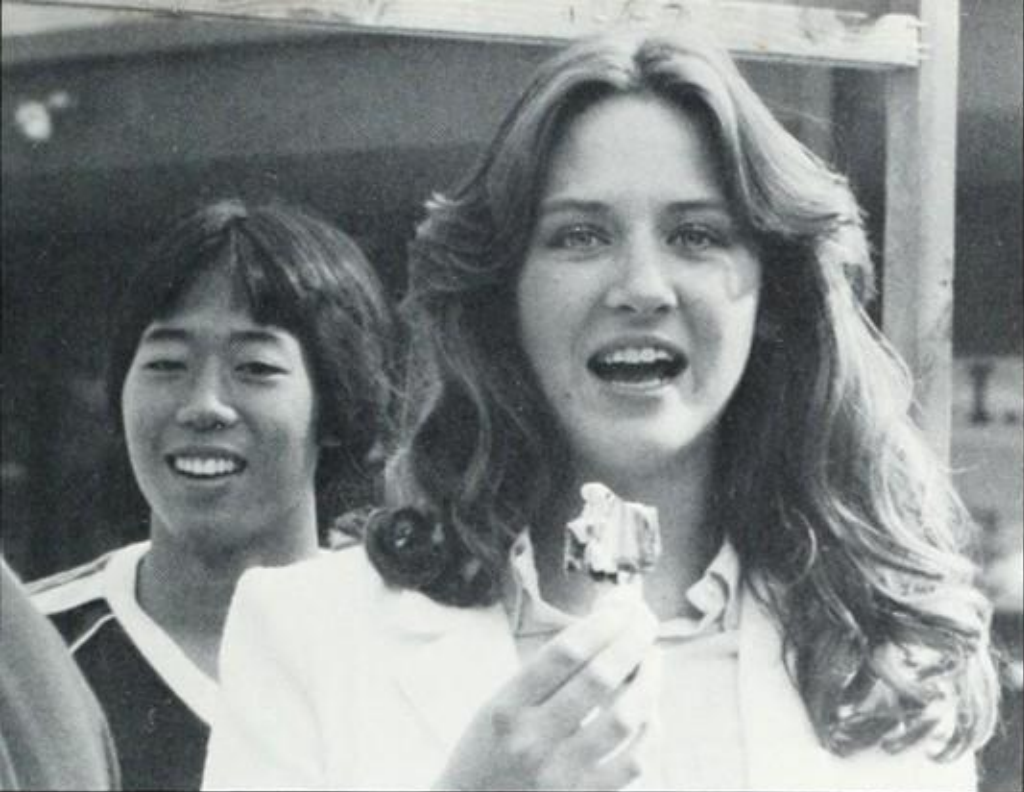

Literature Club — Although beginning late, the revival of the Literature Club continued with much vigor and excitement. President **Andy Koines** and Adviser **Mrs. Enola Sleeper** led a number of club members in promoting an interest and appreciation in literature among students. Whether or not any college thesis were formulated, everyone involved participated in thought-provoking and challenging discussions, or at least enjoyed the comradeship for each other while having fun.

Scholars' Club — Although it is a relatively new organization, the Scholars' Club has flourished under the direction of president **John Hatanaka**, Adviser **Eugene O'Toole**, **Mrs. Koerner**, and **Mrs. Fox**. The Scholars' Club is a social club for students who excel in academics. As such, it helps develop scholar socially as well as intellectually. The club's activities, however, are not limited to social doings. This year, the club had a Thanksgiving Canned Food Drive, as well as educational activities like visiting the Griffith Park Observatory, and social activities such as a trip to Magic Mountain and the Playhouse Dinnerhouse Theater.

Tiller Varsity On The Up-Swing

Continuous daily improvement was the key to **Tustin's** success this season. In the third year of Coach **Tom Nelson's** "Rebuilding Program" the **Tillers** vitalized the 5-2 defense and the wishbone offense.

The season provided many highlights and some disappointments. One of the most noteworthy moments was when **Tustin** upset **Santa Ana Valley** 28-13 to win the homecoming game. This was the first time the varsity ever defeated the **Falcons**. Due to excessive turnovers, the winning season became a nightmare with losses to **Mission Viejo**, **Santa Ana**, **Canyon**, **El Modena**, **Villa Park** and cross-town rival **Foothill**.

With starting offensive lineman **Mike Caruso**, **Jay Gafner**, **Jeff Moore** and **Darren Golka** returning next year the team looks forward to next season and they feel that the caliber of football at **Tustin High** is on the up-swing.

Tustin Beats Valley 28-13 for a Homecoming gift to Queen Joy Borden

On Friday, Northrup Stadium's home bleachers were packed with a tense crowd of alumni, students, and parents. The audience cheered as Tustin scored early in the first period. The extra point was missed, however, and the Tillers had to settle with a 6-0 lead.

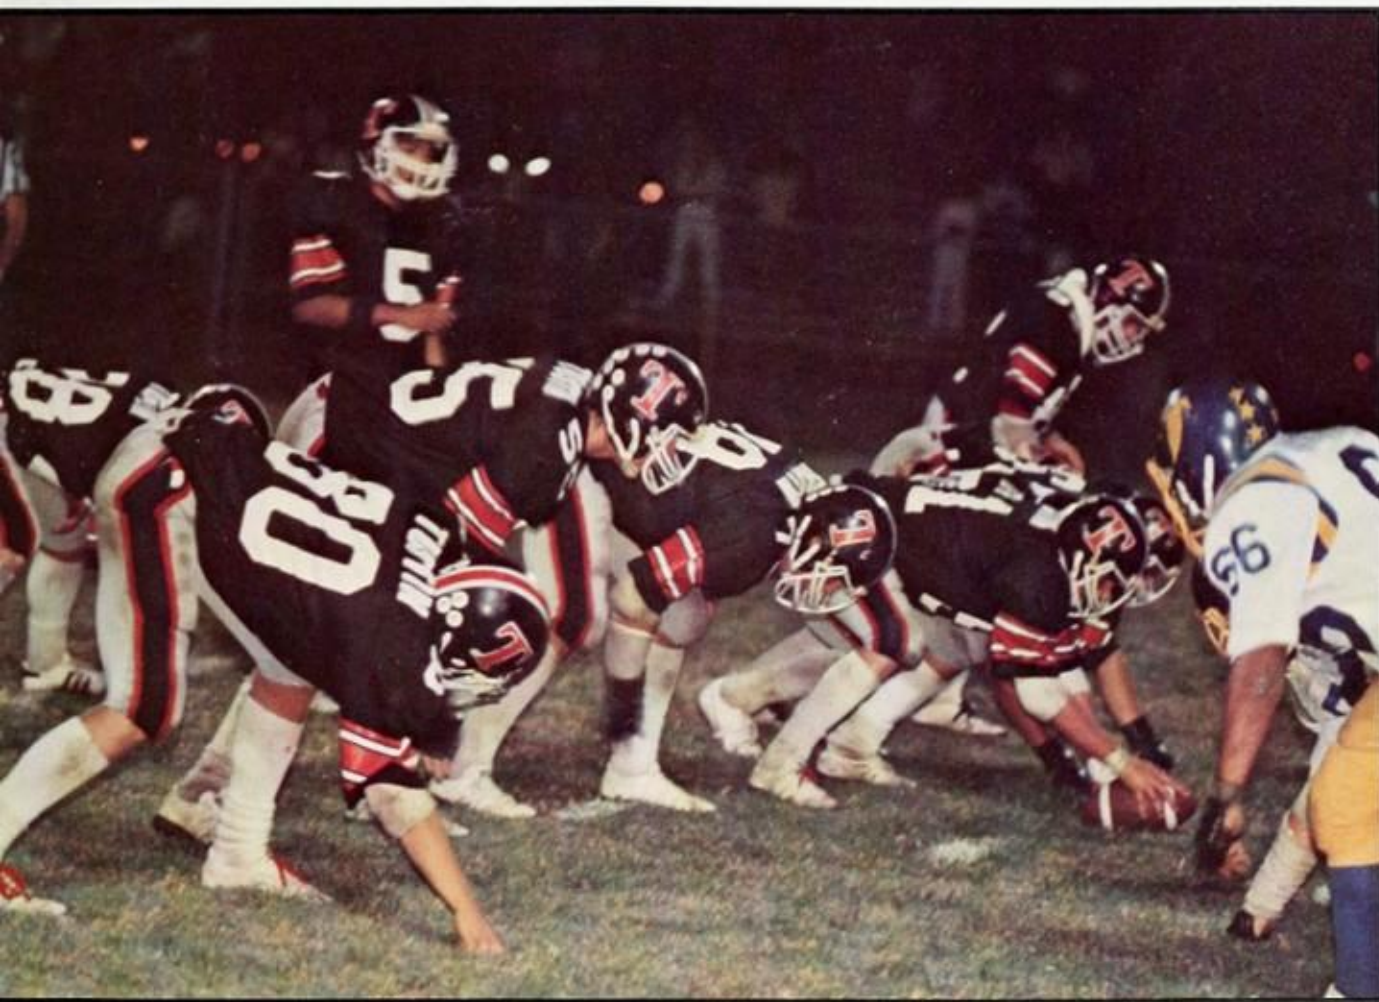

Seconds later, Valley scored on an 84 yard kickoff return and kicked the extra point, making the score 7-6. By halftime, the Tillers regained the lead by one point when the Valley center snapped the ball into the endzone for a safety.

During halftime festivities, Joy Borden was crowned Homecoming Queen by 1980 Homecoming Queen Val Lopez. The Princesses were Chris Dobak, Dina Andrews, Dawn Howe, and Kathy Smoot.

Early in the second half the Tillers scored on a 25 yard pass. At the start of the 4th quarter, the Tillers again showed their magic when Bryan Winters intercepted a Falcon pass and returned it 37 yards for another touchdown.

With only 8:13 remaining in the game the Falcons again scored on an 80 yard kickoff return. When the Falcons tried for a two point conversion, they were held short by the strong Tiller defense, keeping the score 21-13. Moments later the Tiller offense iced the game with still another touchdown making the final score 28-13.

Goals Accomplished By Frosh/Soph

The 1981 Tiller Frosh enjoyed a considerable amount of success. Led by quarterback Pat Hegarty and receivers Gary Strunk and Kirby Piazza, the freshman had a winning season. The defense was led by linebackers Mark Chavez and Chris Borden. Meanwhile Don Webster and Gary Congdon performed admirably. Outstanding lineman included: Tom Wilker, Tom Well, Ted Holt and Benny Meza.

Although the Tustin-Sophomores didn't see much success in the win-loss column, many season goals were accomplished. Cross Country Takes Championship

The 1981 Girl's Varsity Team was the most successful in the school's history, climbing as high as 2nd in the C.I.F.-4A rankings. This squad was responsible for snapping Foothill's C.I.F. — leading 38 — straight dual meet win streak and in so doing, won its first-ever league championship. For the second consecutive year, the girls qualified for the C.I.F.-4A Final. Individually many of the girls garnered numerous awards and honors. Shannon Stryker, Dawn Howe, Kathy Pflomm, Kellie Miller, Jenni Scott and Judy Mazowiecki were all named to the All-Orange County list. Kellie, Shannon, Dawn and Jenni were also named to the All-Century League squad. For the second year in a row Kellie Miller won the Dr. Pepper "Century League Runner of the Year" award.

The Boy's Varsity squad had a very successful season in 1981, climbing as high as 3rd in both the County and C.I.F.-4A rankings. However, the discovery of an ineligible runner forced the forfeiture of three league meets and cost them a spot in the C.I.F. prelims. Individually both Mike Parker and Tino Nunez made the All-Orange County list and were both named to the All-Century League squad. Parker also qualified for the C.I.F.-4A Final for the second consecutive year.

The Girl's Junior Varsity squad also had its most successful season ever, capping it with an upset of Foothill's powerful team at league finals and thereby winning its first-ever league championship. In league finals, Freshman Donna Fleagle won the individual league championship.

The Boy's Junior Varsity squad improved vastly this year and should continue to improve steadily in the future. Clay Stiles led the squad at league finals, finishing eighth in the time of 16:22.

This season the frosh-soph boys asserted themselves as a force to be reckoned with. Both the Sophomores and the Freshmen were the number one squads at the Orange County Championships. Together they had an undefeated league season capped by their win at league finals and a league championship. Individually, Paul MacDonald and Scott Belodeau ran 1-2, respectively, in the league final race.

Tino Nunez: Tino had an outstanding senior year. This year saw him record a lifetime best of 14:54 for three miles. Nunez's time ranked him fourth in the Century League, and earned him All Century League First team for the second year in a row. Nunez was in the All Orange County second team and is also a member of the Tustin High Cross Country Hall of Fame.

Shannon Stryker: Shannon's senior year saw her trade off with Kellie Miller as our top runner. Dedication and hard work has paid off for Stryker, who has only been in the program for two years. Her time of 17:23 for 3 miles earned her All C.I.F., All Orange County and All Century League first team honors. Stryker is the number two runner of All-Time at Tustin and a member of our Hall of Fame.

Dawn Howe: Both leadership and dedication marked Dawn's senior year. Howe was the heart and soul of our girls' championship team, and has not missed a single race in two years. Her time of 18:20 ranks her third All-Time at Tustin. Howe was an All Century League first team selection in both 1980 and 1981, and she made the All Orange County first team as a senior this season. Howe is also a member of our Hall of Fame.

"Tillers No Cinderella:" 4th Seed in CIF

Tustin High's most successful water polo team in history enjoyed a quite remarkable season. It went something like this:

Aug. 7: Last year's league championship frosh-soph team journeys to North Carolina to capture the bronze medal in a National Junior Olympic competition.

Sept. 1-25: Three returning seniors join the juniors just back from North Carolina to rattle off five in a row to open the 1981 season, including a victory over CIF Champion Eldorado.

October: Tustin continues to improve, losing only to Villa Park and Foothill in heartbreaking 1 point losses. The overall record stands 16-5.

Nov: Tustin qualifies for the CIF playoffs for the first time ever, ranked third in league, yet fourth in all of CIF.

Playoffs: Tustin cruises through the first three rounds of the playoffs beating El Segundo 12-6, Blair 14-3, and Claremont 13-6, to gain a rematch with Foothill in the CIF Semifinals.

Foothill needed two overtimes to nip Tustin by an 8-7 score. The Knight's David Baia tied the match at seven-all on an off the water shot with just 16 seconds remaining in regulation play. Clint Gaughran delivered the game-winning shot in the second overtime period.

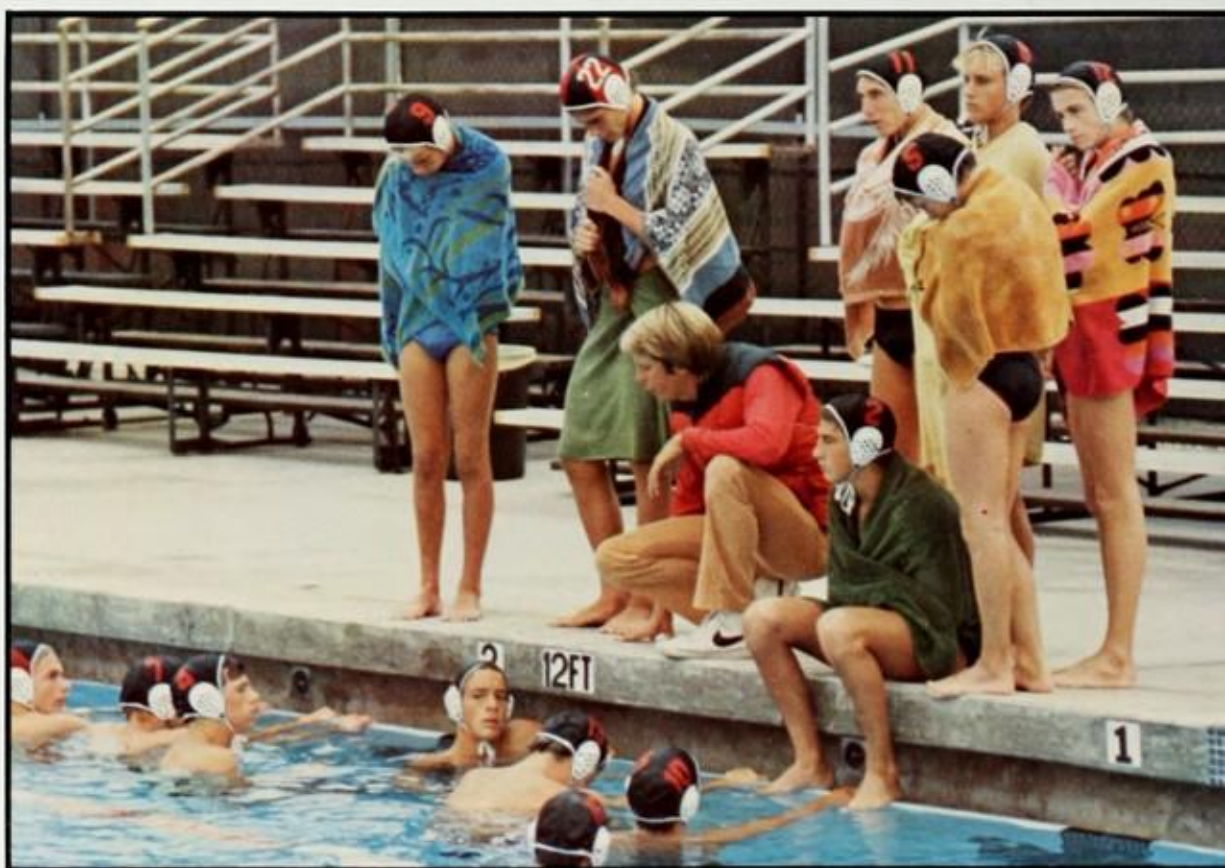

This year's team has been better than ever and it looks as though next year Tustin will be even more outstanding.

Varsity Volleyball Has Best Team In School's History

Tustin High School's Varsity Volleyball team had its best season in the schools history in 1981. The **Tillers** finished in second place in the Century League with an eleven and three record.

There were many outstanding accomplishments by this years team. Tustin beat Foothill for their first time in eight years, earned a second place in the Century League, and went to CIF for the first time.

During CIF play Tustin beat **Los Amigos** in the first round and then faced **Louisville** (the first seeded team) and lost. **Louisville** went on to win CIF.

Tustin had three girls selected for the all Century League Team. **Alison Palmer** and **Kathy Kale** were selected to the first team all league and **Charlene Porter** made second team all league.

This year's accomplishments were definitely a team success as every girl contibuted to what turned out to be a very special season for Tustin High School Volleyball.

Tennis Continues Winning Tradition

The 1981 Varsity tennis team continued their winning tradition, by placing third in league, and thus securing a berth in C.I.F. playoffs. With a season record of eleven wins, one tie, and six losses the girls once again proved that determination and pride are winning ingredients.

Leading the Varsity team was **Marci Zelinger** a four year veteran playing in the number one singles spot. As captain for the second year, she chalked up a record of forty wins and nine losses. Another four year veteran **Leslie Osbourne** had an impressive record of thirty-two wins and ten losses.

The junior varsity team proved to be tough competitors throughout the entire season. Their enthusiasm, spirit, and hard work paid off, as they placed **third** in the league with a nine and five record. The 1982 season will find many of the J.V. players moving up to the varsity level to replace graduating seniors. The teams are led by Varsity Coach Shirley Sperazza and J.V. Coach Letty Wigmore.

New Coach Rebuilds Varsity Team

The Tiller Varsity Basketball season proved to be a rebuilding year under first year coach Steve Roderick. The character, pride, and relentless effort of the Tillers was displayed in each and every games. Team members and fans alike will long remember the thrilling upset victories over Canyon, rival Foothill, as well as the tournament championship at the Santiago Cage Classic.

There are other memories too! No one will forget the "dazzling" ball handling of leading scorer Mark Grace or the "high noon" defense of Barry Porter. Jim Axelson's consistent and "all-out" effort, Mike Schwabe's long range accuracy and the "high wire" act of Denver Harris will also be remembered.

The contributions made by Darin Montgomery, Scott Mattingly, Joe Fennell, Jim Perry, Mike Frank and Troy Jones must be recalled. Without their support, spirit and enthusiasm from the bench a successful season would have not been possible.

Statisticians for the season were Lori Deming, Cyndie Smith, Rene Matz, Brenda Berry, Cynthia Junor, Julie Schuba and Stacy Woodslide.

JV, Frosh/Soph Basketball Shoots To Thrill

JV — The squad began this cage season with high expectations. Although this year's team had an overall lack of game-playing experience prior to the start of the season, the junior Tillers matured quickly through the pre-season and during Christmas vacation, with a **second place finish** in the **Santiago tournament** and an overall **5-3 record**. With the five preseason victories under their belt, the J.V. squad entered league play with a newly developed confidence. Utilizing a full-court pressing defense and a fast-break oriented offense, the Tillers were led by the consistent play of starting guards, **Mike Amador, J.J. Mowers** and **Rod Dunning**. There was superb play by sixth man **Bernie Joh** and reserve **Andy Hahn** throughout the course of the season. Up front, rebounding chores and inside offensive battle were ignited by **Jay Gafner, Danny Walker, Darren Kakishta, Ken Turner**, and the improving play of **Robert Walls**. Juniors **Mark Erfurt** and **Pete Haacker** rounded out the squad, which maintained a five hundred showing in the very competitive Century league race.

The kids provided a great deal of action with the quickness and speed of **Eric Ragsdale** and the ball handling ability of **Jeff Barney**. The team has a lot of pride, dedication and determination which is what it takes to have a successful program. With strong rebounders like **Kirby Piazza**, **Jeff Hord** and **Chris Andrasfay** and the cat like quickness of **Dean Santos** and **Camie Jarvis** all dedicated to the sport and program. The Tustin basketball program looks to have a bright future in the years to come.

Frosh — This season's freshmen basketball team is one of high potential, as yet unfulfilled. Lack of a consistent outshooter and an average of twenty-three turnovers a game has led to a current **record** of 4-5. But, the encouraging thing is that there has been improvement every game and second place is still within reach. As the biggest freshmen class in four years, these players promise to be an outstanding group by the time they reach the varsity level.

Senior Superstar

Sharon Svendsen — Sharon has been on the Varsity swim team throughout her four years at **Tustin High**. This spirited student has been the girls varsity Most Valuable Player for four years straight. She was the Most Valuable Century League Swimmer in 1981 and a C.I.F. finalist her junior and senior years. In addition to this she has been on the All Century League Swim Team for four years in a row. Sharon has been a team leader and encourages others with their swimming. She is also an excellent student.

Jim Carter — This 4 year honors student and Eagle Scout has been on the Varsity Waterpolo team one year and the Varsity swim team for two years. He was captain of the C.I.F. Waterpolo team and led them to the semi-finals. With a very positive attitude he has accomplished this in only two years as a transfer from Basketball. Jim was the **Freshman class president** and has shown strong senior leadership this year. These two really are "Senior Superstars".

Running Free

The track program has grown steadily over the last three years, from less than 100 members in 1980 to as many as 170 this season. And with this steady increase in team size has come an improvement in team performance. The 1982 season promised to be the most successful at **Tustin High** in five years at all three levels of competition: Boys Varsity and Frosh-Soph and Girls Varsity. Led by such senior standouts as **Mike Frank**, **Chuck Dodson**, **Mike Parker**, and **Tino Nunez**, the Boys Varsity squad will be much improved over 1981. The **Frosh-Soph** squad, bolstered by an extremely strong distance squad, had the potential to win the league championship. Not to be out done by the boys squad, the **Girls Varsity** squad will also challenge for the league crown. Top performers like **Shannon Stryker** (one of the top distance runners in the C.I.F.), **Dawn Howe** and **Kellie Miller** in the distances, **Kathy Smoot**, **Kelli Schultz** and **Lori Hammer** in the sprints, and **Susan Barker** in the discus give the team an extremely strong nucleus. Coaches and athletes alike, are extremely excited about the prospects for the 1982 track season.

Softball Shines In League

This year's softball team had eight returning starters off last year's championship team, which went 23-3 and was third in the C.I.F. playoffs. They expected to have another championship team and had high hopes of going even further in C.I.F. under the direction of coaches Lisle Lloyd and Elaine Koerber. The J.V. team was under the direction of coach Larry Brugmann.

Alison Palmer — Alison was the starting pitcher last year for the varsity team and finished with a 17-0 record before losing in the C.I.F. semifinals. She was voted **team MVP**, **all league first team** and **Century league MVP** for the 1981 season. She is a leading candidate to repeat these honors again. **Palmer** is not only the ace pitcher for softball but she also is a outstanding player in volleyball and basketball, besides keeping up a 4.0 grade average. Alison's favorite music performer is **Bruce "The Boss" Springsteen**.

Baseball Succeeds With Strong Pitching Staff

Having completed their pre-league season with a 3-2 record the Tillers were optimistic about their shot at the Century League title. Any baseball team's fortunes rise and fall on the strength of its pitching staff and this year Coach Dan Sheehy feels that the pitching staff is a strong one. There were three possible starters in George Cooper, Bob Frank and ace, Steve Crecion. The bullpen is bolstered by righthander Jack VanEvery and lefthander Barry Porter. Coach Rick Falk handled this staff quite well in preparing them for the season.

Dan Koosed behind the plate, Mark Grace at first, Pete Bollinger at second, Jim Axelson at third and Mick Danskin at short gave the team a sound infield who were also productive on offense. Led by returners John Collard in center and Barry Porter in right the outfield corps is a bright spot, including Dave Allen, Joe Fennell, John Murrel, Bill Quesnell and Mike Rocco.

1. Junior Varsity player Mike Schwabe gets ready to get a base hit.

Frosh-Soph Team Looks Forward to '85 Season

The Frosh-Soph baseball team is led by the pitching of David Rishovd, Don Grenda, and David Staton. In the field, Jim O'Connell, Robert Bollinger, and Marc Gonzales lead. The team hopes to be at the top of the tough Century League with the hitting of Jeff Carlisle, Gary Graves, Michael Morehead, and Dean Roberts. This year's team is led mostly by freshman, so things look good in 1985 for Tustin High School Baseball.

1. Jeff Hord prepares to make an out at first base.

Seniors The Class of 1982

After waiting for four years the class of 1982 has finally become seniors. We have shared some special times together and have accomplished a lot together. We are a class of unity and should succeed well in the future.

Senior Officers Set Goals

As we, the Class of '82, finish our final year at **Tustin High**, we can look back on our past with a sense of pride and accomplishment. We have met our goals and maintained our standard of excellence through dedication, determination and a strong desire to succeed. Our spirit was evident in our enthusiasm and was reflected in our participation in all activities. Although unified as a class, we have demonstrated our individuality through our outstanding achievements in athletics, academics and community involvement.

But we are not just another graduating class. We are the backbone of tomorrow and we hold the key to success for the future. We have left our mark at Tustin High School, and we will be remembered as an example of success. I would like to thank the Class of 1982 for allowing me to serve as its Senior Class President. I have seen us grow and mature as a class and I wish you all the best of luck in the years to come.

Capture The Senior Spirit

We are only here for four years and the climax of those four years is our last — the year we spend as Seniors. During this year we grow together even more than before because we realize it is our last year. We enjoy special times relaxing with friends and have fun getting to be ourselves. By second semester we all have a disease called Senioritis, we just can't wait to get out but when that time comes we don't want to leave!

Tiller Romances Popular

Couples Joy Borden, Mick Danskin and Pam Guillen, Rory Zatyko and Ellie Escobar, Greg Holland and Tammie Armenta, Scott Day were all voted Tiller Romance.

During four years at Tustin High many boy-girl relationships develop. Some of the relationships start off with the boy and girl just being friends and then the relationship goes from there, while others meet at parties or through mutual friends. Some of the relationships last for four years, others don't. Quite a few of the couples that were chosen as the Tiller Romance couple in the past are still together — some have even gotten married!

Seniors Flee

A typical scene at lunch, no seniors

When senior privileges were approved at the beginning of the year students started leaving campus. Why? Because one of the privileges was an open campus for seniors, at lunch only. First, before leaving campus, legally a student had to have his/her parent sign a permission slip saying that it was ok. Most parents signed and the privilege was in effect.

Seniors would leave campus and go to lunch to places like McDonalds, Del Taco and Yogurt n' Things. They couldn't go to far though because they had to be back to class in time!

Well, we made it
through six years to-
gether and I still haven't
gotten any taller. These
years have been great - I
feel I have to give up over
seniority and what power you'll
have! Well, I know

Underclasses Study And Have Fun

This year's underclassmen have strived and succeeded in all that they have undertaken. The juniors put on a successful prom and proved that they have a lot of potential as next years seniors. The sophomores have shown a lot of spirit and proven that they are no longer freshmen. While the freshmen have survived their first year at Tustin High.

2. A student studies in the library during lunch.
3. Greg Stewart gets caught not doing his work in Mr. Eilerts Biology class.
4. Michelle James working hard as C.A.S.C. rep in ASB.
5. Devin Richter, a typical freshman.

Juniors Strive To Reach Their Goals

Vice-President Hunt Drouin, Secretary/Treasurer Tanya Sisel, President Tony Jasica, Representative Suzette Lipscomb

We are the **Class of '83**, and that is what we will always be. Next year we will all be seniors; the leaders of **Tustin High** and I hope that we will not forget the good times we shared this year. Let's make it **our** goal to yell louder, fight harder and to improve ourselves overall because it can only make us stronger. Remember, you will no longer be looked down upon. **You** are the future seniors and don't let anyone stand in your way! This year was fantastic, but there is no rule written that says next year cannot be even better! Thank you very much for the opportunity to be in charge of such an outstanding group of students. See you at the top!

Good Luck Next Year,

Sophomores Make Their Mark

President Arthur Patterson, Secretary/Treasurer Allyson Reinig, Representative Mercedes Garde, Vice President Karen Rewers

As the year of 1982 comes to an end the **sophomores** have definately made their mark at **Tustin High School**. Our spirit and unity are extremely evident in academic ability, atheltics and class competition. We proved that we could dominate in all fields and still maintain a strong sense of pride and unity that no other class has demonstrated. Looking ahead to the next two years, we will surely have no problem preparing for our decisions, careers and future plans. I know that many of our most important choices and responsibilities are in the near future and with all of the knowledge and experience gained at Tustin High they will be wise decisions.

Good Luck and Thank You.

Sophomores learn how to give Cardio-vascular Pulmonary Resuscitation in Health and Safety.

One of the courses offered at Tustin High, Health and Safety, includes teaching students the life saving techniques of Cardiovascular Pulmonary Resuscitation. Approximately seventy students a semester pass this, and receive cards that enable them to practice CPR. This course is six to ten hours long and is taught according to American Red Cross standards. Some techniques taught are: one man rescue, two man rescue and infant rescue. Heart attacks kill more people per year than cancer and now our own students of Tustin High can help put a dent in these figures.

Freshmen Look Toward Future

President **Mark Chavez**, Vice-President **Kathy Shives**, Secretary/Treasurer **Scott Newman** and Representative **Stacy Watson**

As the year of 1982 comes to an end the **freshmen** have greatly adjusted to the ups and downs of their first year at **Tustin High**. This class of '85 has been called the most spirited freshmen class to come along in a while. We've worked together and proven this to be true. As this year closes we all look forward to three more successful years at Tustin High. It has been my pleasure to serve the class of '85.

Staff Important At THS

The Staff at THS are an important mainstay to the school. They not only teach classes but many of them spend time with students outside of school, helping with sports, cheerleading, the marching units, publications and student government. Many are also supportive in that they attend extra-curricular activities, they are really an important part of THS!

Special People Leave Their Mark at THS

Mr. John Peterson is a very versatile man. While at Tustin, he has taught in the Science, Mathematics, Physical Education and Life Skills departments. He has also coached football, cross country, track and baseball, as well. During his years at **Tustin** he also served as a counselor and vice-principal. He was also one of the instigators of **Foothill High** in 1963 and he is the founder of the Tustin Relays.

Peterson came to Tustin in 1955 from **Glendale** and before that he had taught at **Chaffey High School** in the **Ontario** area. This is **Peterson's** thirtieth year in education.

Peterson lives with his wife **Ricki**; together they have two children and two grandchildren.

Peterson is leaving **Tustin High** this year to move on and enter the field of counseling.

For twenty-six years **Mr. George Trotter** has been an important part of **Tustin High School**.

Trotter first came to **Tustin** from **Illinois** to be the head basketball coach, served in that capacity for seventeen years until 1973. During his tenure at **Tustin**, **Trotter** has taught in the mathematics department, led eight teams to **C.I.F.** and three to league championships. **Trotter** has not only coached basketball but football, track and baseball as well. **Trotter** has also served as the Athletic Director in the 60's and as the AFS adviser.

Trotter is a Tustin resident with his wife **Maxine**. He has five children, two attended **Tustin** while the other three attended **Foothill**. He also has two grandchildren.

Trotter is very supportive of **Tustin High sports**; one can see him at many of the sporting events during the year. He feels Tustin has an "outstanding student body."

Trotter will be missed as he retires, but he feels that it is time to move on and enjoy life.

She loves her cats and the kids at **Tustin High**; this lady is **Mrs. Pam Montgomery**.

Montgomery left Tustin at the end of first semester of this year to begin a new career in writing and managing an art gallery.

When **Montgomery** first came to Tustin she came as a student teacher for **Mrs. Londa Burkhardt** and **Mrs. Enola Sleeper** in the English Department. She returned the next year as a full time teacher, teaching English.

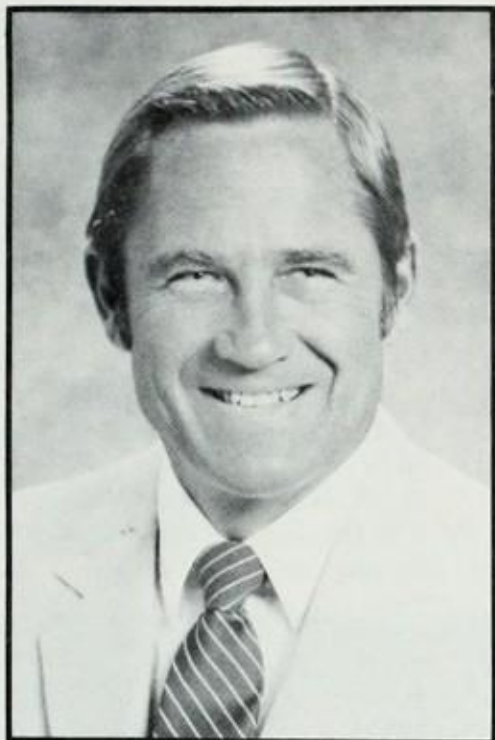

While she was at Tustin, she left her mark. She was in charge of the pep squad for a year and during the last three years she served as the **ASB** and **Broadcaster** adviser.

Montgomery lives in the **Dana Point** area, with her husband **Bob** and two cats. **Montgomery** enjoys cooking, camping, music, theater and working in the yard.

Staff members of the **Broadcaster**, **Adrienne Nedler** and **Laura Warner**, said that **Mrs. Montgomery** was a very caring teacher and we all miss her in our own way.

1. **Mr. John Peterson** smiles and tells that he enjoyed his years at **Tustin** very much.
2. **Mr. George Trotter**, at the homecoming assembly he could always be seen supporting **THS**.
3. **Mrs. Pam Montgomery** with **Lynda Graves**, **Hunt Drouin**, **Kathy Smoot** and **Kellie Miller**. She loved the kids at **Tustin**.

Administrators Set The Pace

Tiller Pride!!! The **Audion** staff has done an outstanding job pictorially of capturing evidence of that pride. Those of us who spend so much time with the students, staff, and parents of **Tustin High School** understand the quality and depth of that pride.

Writing in the **Audion** for the many who will view its pages gives me an opportunity to express my appreciation to all who make this high school the exemplary institution that it is. **Tustin High** is academically, socially, and athletically one of the finest high schools in the state.

Administration, Counselors Give Guidance

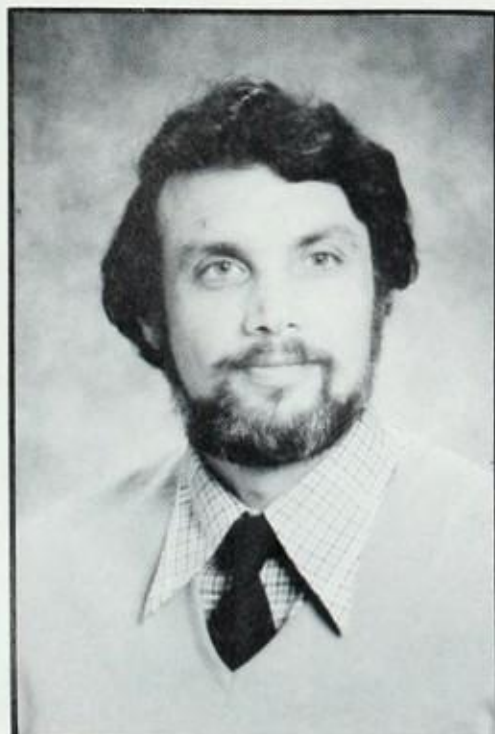

The 1981-82 school year has been a special one for me. In taking on the role of Assistant Principal, Students, I have faced many new challenges and worked with many new people.

Being responsible for discipline, counseling and attendance can be a difficult job. I have found that with the strengths Tustin High has in the counseling area, the attendance office and in the area of student behavior the role is that much easier. Obviously, the number one goal is to provide for the best educational experience for each student. All of my experiences have taught me something and have been rewarding. Working with a strong counseling and teaching staff, a super administrative team and such a fine student body couldn't be anything else.

Our instructional program is geared to meet the needs of all of our students. The curricular program provides instruction from the remediation of basic skills through accelerated programs of study for students who are high achievers. A large selection of various elective courses are available for students to pursue individual needs, abilities, and interests. We always seek to improve our program through research, observation, and evaluation.

Paul Fisher

The 1981-82 school year has been one of the most exciting years in my career as an educator. The staff and students have provided me with many rewarding experiences and unforgettable memories. It is truly a great feeling and honor for me to be associated with this outstanding high school.

Career Center, Library, Work Experience Serve the Needs of Our Students

The Career Guidance Center serves the needs of our students by providing information on Careers and Colleges.

In the area of Careers all students work in the Career Center several days per year on their present and future career plans. We provide many career speakers and up-to-date audio-visual materials for the students' use. We also encourage students to investigate the CROP Program as part of their career search.

The purpose of the Career Guidance Center is to provide students with the opportunity to explore and investigate careers through research made available to them in the Center. To provide the necessary testing and advising for each student to help them find direction for their careers. To provide students with guest speakers and/or audio-visual materials concerning their specific career goals.

The **Tustin High School Library** is dedicated to helping each student learn to use libraries for a lifetime and learning enjoyment. We emphasize to ninth grade English classes that a student who can find a book in our library can quickly and easily learn to apply this knowledge to any other library, public or university.

We hope that all students have had good experiences in our library, but if you still have one of our books, **PLEASE** bring it back!

Work Experience Education is provided to students working in the business community. The program recognizes the learning process which takes place in the real world, and appreciates the importance of working to personal fulfillment, independence, and maturity. Credit is based on the number of hours worked during regular school hours.

Practice Makes Perfect For Aspiring Artists

The smallest department at THS, the Visual Arts Team, consists of only three teachers who handle between twenty-six and thirty sections of visual arts and crafts during the school year:

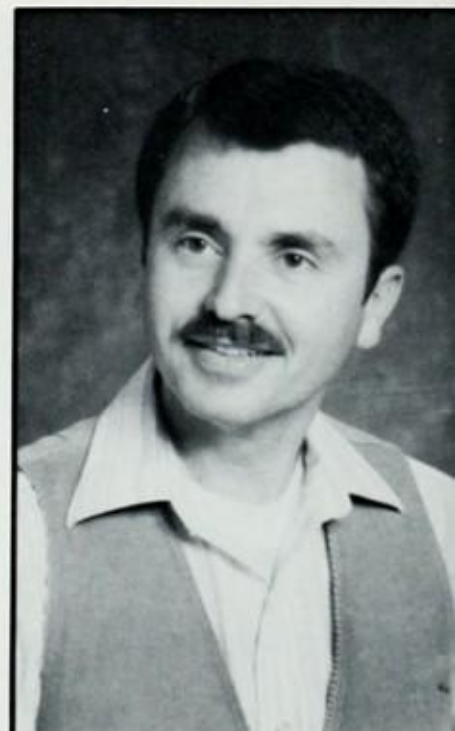

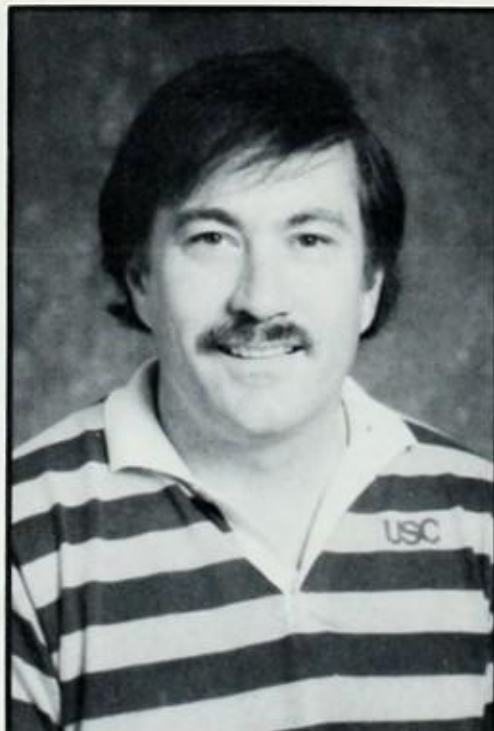

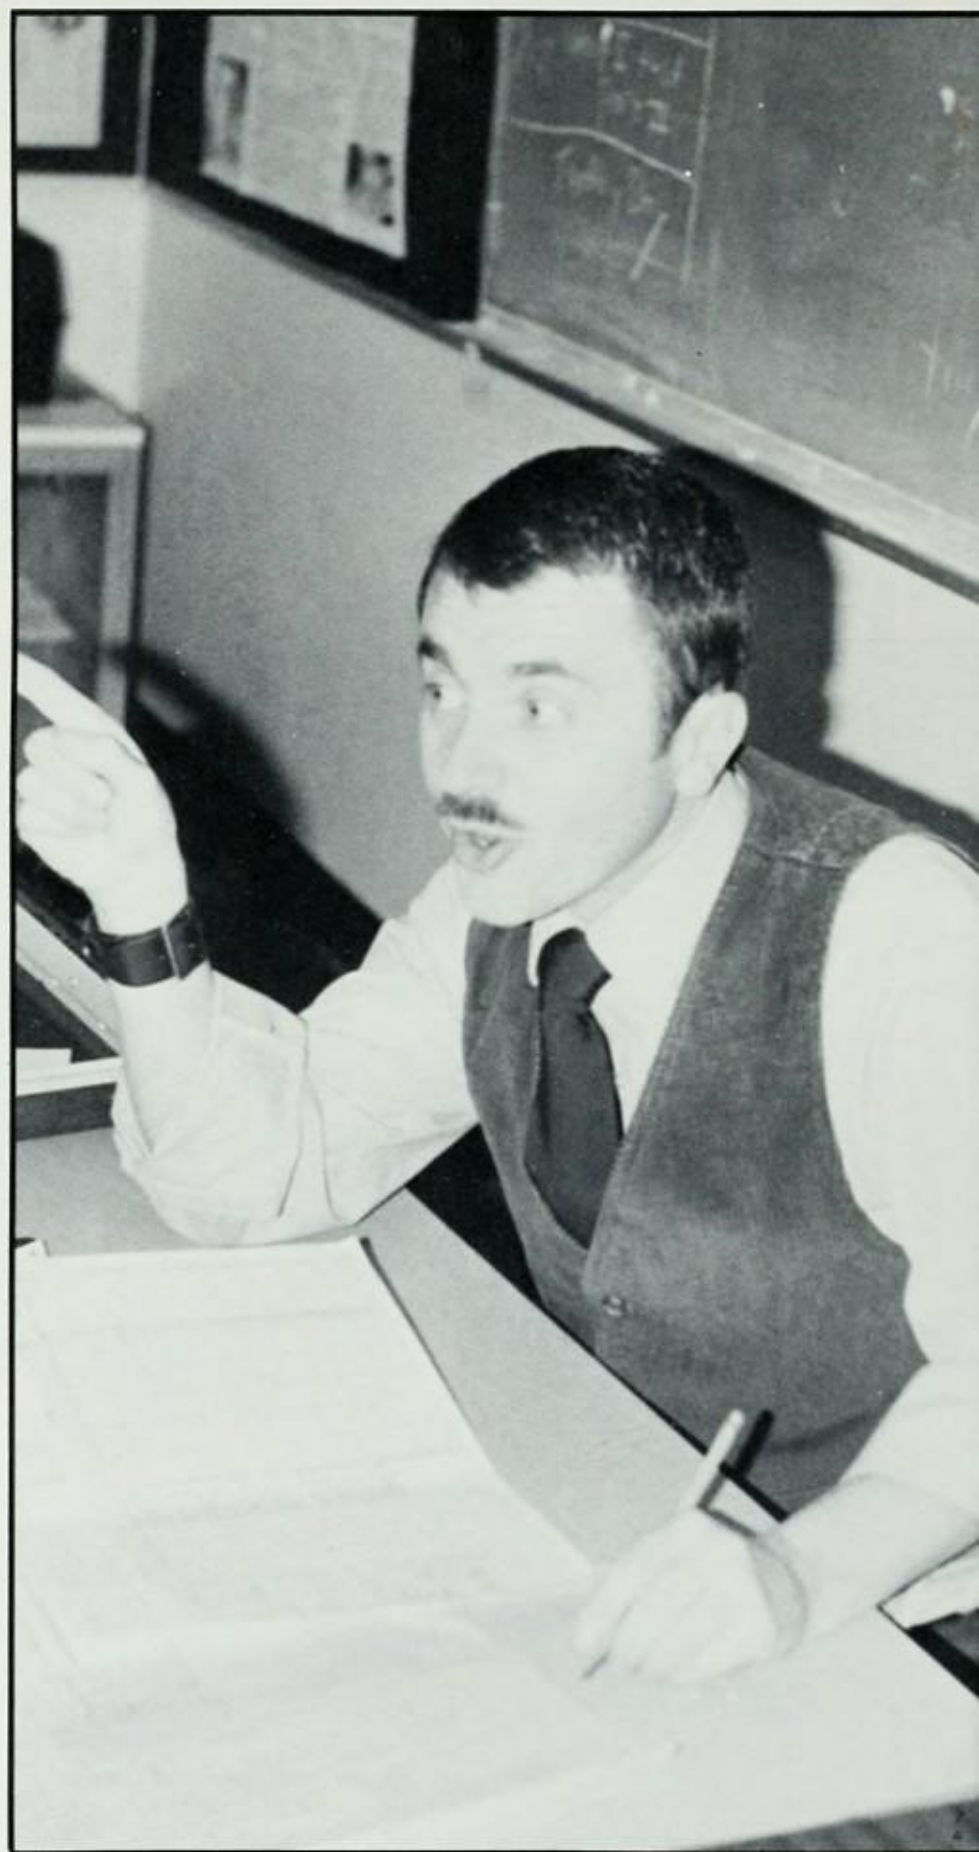

Sara Smith, — a veteran of C.E. Utt school, is the painting and drawing specialist; her interests and special skills are in watercolor technique and drawing. Now in her 4th year at THS, **Miss Smith** has the distinction of teaching visual art in TUSD for the longest period of time compared to her colleagues. Sara chairs the department this year.

The English staff believes that the significance of language continues beyond a student's high school career. A major emphasis of the program is to provide the student with the interests in reading, thinking and communicating which will enrich his future years. Therefore, a careful analysis of major ideas in literature is encouraged.

Effective For International Understanding

Foreign Languages — Both our understanding of them and our ability to use them — may be our most affective instrument for international understanding. Peace, cooperation and survival itself may largely depend upon our ability to converse on friendly terms with the other people of the world. With a more exact and comprehensive control of language on the part of the individual, a more effective communication develops, for language is the basis for all human relationships.

Science Kills

Freddie the Frog

The main project for the year in Biology is dissecting frogs. How could anyone hurt those poor little helpless green frogs? Well they do and teachers like **Bio Bill**, **Mr. Crippen**, **Mr. Witt** and **Mr. Peterson** let the kids do it. First they cut open the frog and then probe into him and chop him up! Some kids are really "nice" and they throw around the frogs organs and put the dead frogs into girls purses.

The **Science Department** keeps up with the many changes taking place in the fields of Science. They use the most up-to-date textbooks and supplemental books for each subject. The **Science Department** also has a variety of laboratory equipment and specimens for student use. Courses taught in the circular building include: **Biology**, **Biology 10**, **Life Science**, **Physical Science**, **Earth Science**, **Chemistry**, **Chemistry E**, **Physics**, **Physics E** and **Horticulture**. Staff members teaching in the science department are: Department chairman, **Don Crippen**, **Bill Eilerts**, **Steve Meier**, **John Peterson**, **Ron Bruce**, **Mike Purciel**, and **Norm Campbell**.

Life Skills subjects are: Foods, Clothing, Health and Safety, Interior Design, Single Living, Marriage and Family Living and Drivers Education/Careers. Staff members teaching these subjects are: Chairman Bonnie Smith, Keith Ashby, Charles Meyerrett, John Peterson, Vickie Radcliffe, Valerie Thruston and George Witt.

Resource Center Lends A Helping Hand.

The Tustin High School Resource Center meets the needs of students who have different learning styles. A few of the opinions from the students about the Resource Center, is that it is a relaxing educational experience that provides helpful and friendly people who really care about what is being taught. Individual attention is devoted to special problems or needs a student may have in the subject areas of English, Social Studies, and Math. The students learn at their own rate through small group instruction.

P.E. Offers a Variety of Skills

The Department of Physical Education at Tustin High School continues to provide students with an opportunity to select activities from a broad variety of sports.

Units change every six weeks thus providing each student as many as six different sport activities every year.

The purpose of the Physical Education program is to provide opportunities for all students to develop physically, mentally, and socially with the emphasis being placed on life-time sports.

Secretaries, Clerks Keep The Paper Crunch Under Control

The secretaries fulfilled their responsibilities and kept **Tustin High** running smoothly. Without the hard work and dedication of these women, THS would have fallen apart a long time ago. The **Guidance Secretaries**; with the help of many student aides, kept track of the 2200 students at THS. The entire administration, faculty, and student body are eternally indebted to this group of self-sacrificing people who helped to keep the paper crunch down at Tustin High School.

Supervisors, Walk-ons Help Carry The Load

Because of the decline in student enrollment and because of the inability to find existing coaches on the faculty, walk-ons were hired by the school to work as coaches for the P.E. Department. These coaches work part-time for Tustin High and also help support the school by working and helping students to develop coordinating skills.

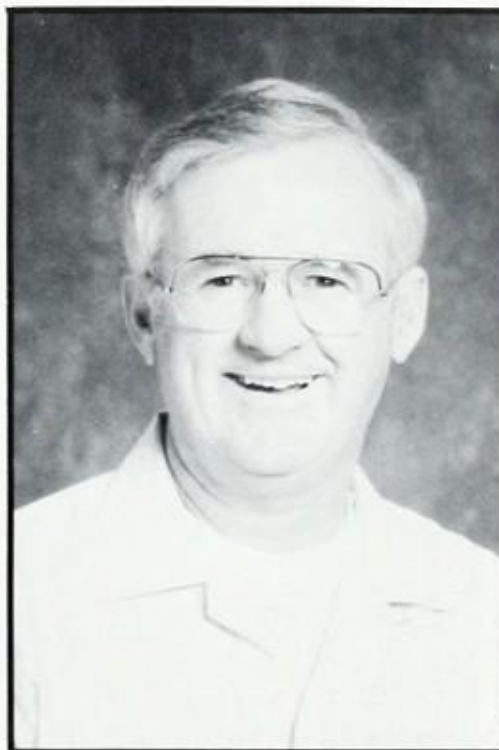

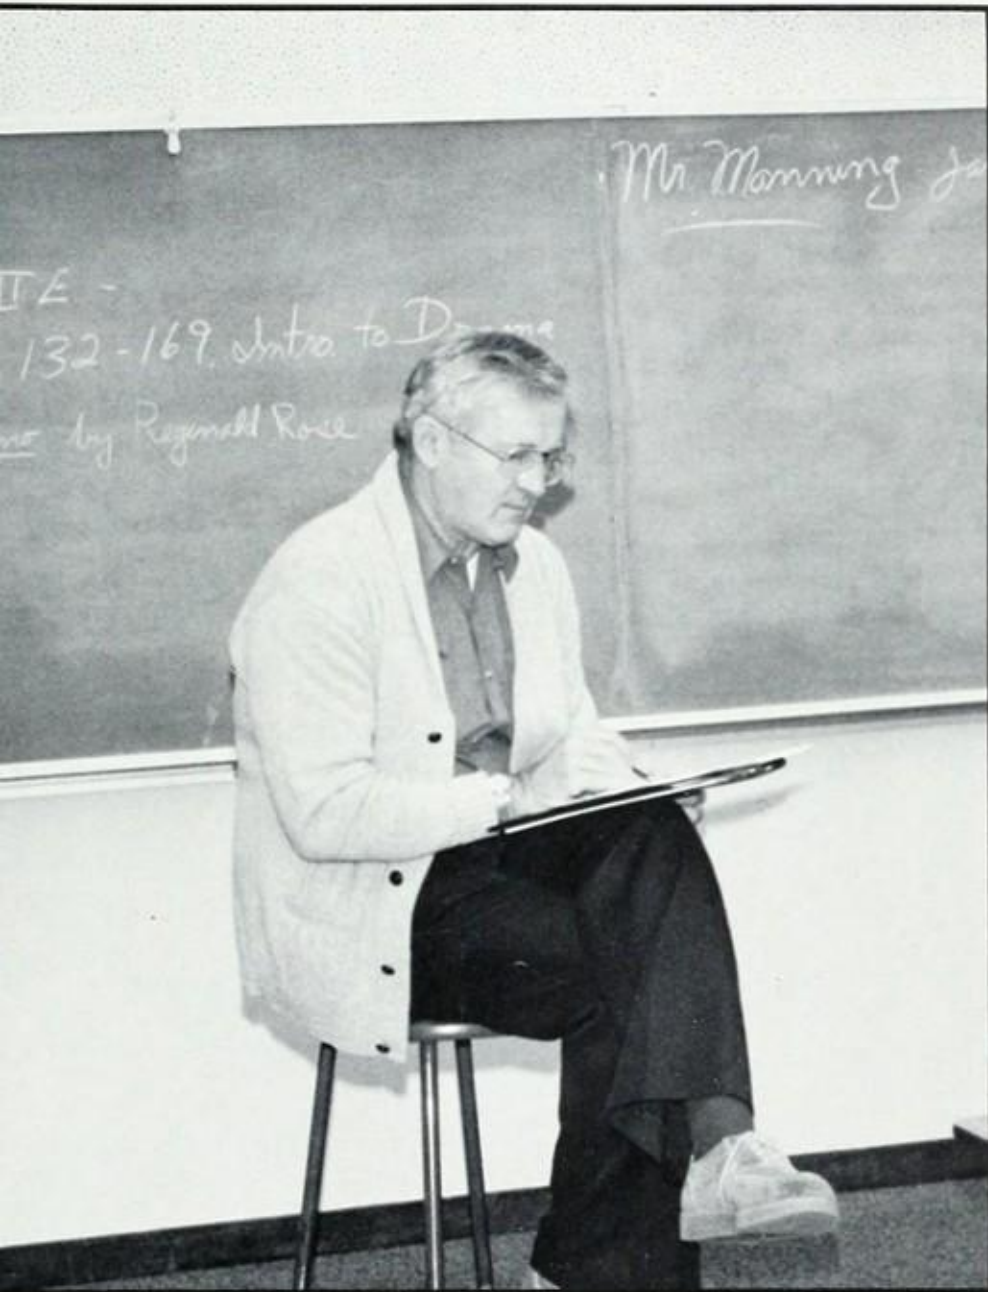

Campus Supervisors worked every school day and helped to keep the sidewalks clear. They always had a friendly attitude with everyone at Tustin High and helped students to keep on the go.

Support Crew Makes it Possible for Tustin High to Run Smoothly

The custodial staff has worked hard this year to clean up our campus. The day shift performed all kinds of odd duties: cleaning the walks, purging the cafeteria, sweeping up the smoking area, and any other jobs which occurred while school was in progress. The night shift cleaned the classrooms, restrooms, and offices. The students and faculty really should be more appreciative of the effort put forth by the custodial staff.

The cafeteria staff slaved everyday to prepare the best food possible for the students to eat. In a move to upgrade the services junk food was replaced by more nutritious fare until after the fifth period.

Tiller Days Highlight City's Heritage

Tiller Days was held this year the ninth, tenth and eleventh of October. Headed by committee chairperson Cherrill Webb, Tiller Days is quoted as being a "real success." On Friday there was the fair and live entertainment that night. On Saturday the fair continued. At ten o'clock in the morning the parade was held. The Sweepstakes award winner in the band competition was Whitter Christian. Tustin's Marching Units placed third in band competition, third in the drum major competition and first in the majorette competition. Farmer Fred from the Irvine Ranch Market was the Grand Marshall of the parade. Other activities going on during the weekend included a pancake breakfast put on by the Chamber of Commerce, a Bar-B-Que sponsored by the Boys' Club and a concert by the Marine Corps Band.

Students Work For Extra Money

Working, after school and/or on the weekends was an experience many students attempted. Money was the main reason students went out and got jobs. With inflation, the cost of movies and dinner has gotten quite expensive. Kids realize that they can not go to Mom and Dad anymore for that twenty dollars they need for the movies and dinner. The minimum wage is three dollars and thirty-five cents an hour. Places where students work include: **Del Taco**, **Barro's**, **Albertsons**, gas stations, drug stores, **Farmers Market**, **McDonalds**, **Baskin-Robbins**, **Bullock's** and the **Broadway**. Senior **Lisa Spitzer** says that "Working is a rewarding experience."

In Memory

Charles W. Duval

Chuck was a 16 year old junior student at THS. He was born in **Detroit, Michigan, 9-28-65.**

He had attended THS since the beginning of his freshman year. Chuck lived with his mother and stepfather. He was the only living child. A sister died at the age of 6 months of Sid's Disease.

Chuck had surgery in June, 1981 for a tumor in his back. The tumor was malignant. He started radiation and chemotherapy. He returned to school in September, 1981 and attended on a regular basis while continuing with his treatments. He lost all of his hair and wore a wig. In February, 1982 Chuck became so weak we assigned a home teacher.

Chuck died at **CHOC** March 13, 1982.

High School has been the best! In this years edition of the **Audion**, the staff and I have tried to Capture The Memories of 1981-82. We hope that you enjoy this yearbook now and for years to come.

Capturing the Memories. Volume 56 of the **Tustin High School Audion** was financed, designed and published by the 1982 Audion staff. It was printed by **Herff Jones Yearbooks**, Marceline, Missouri. The company representatives were **Greg Hemsoth** and **Larry Kluss**. The book was printed on eighty pound Bordeaux paper. The embossed cover was done with two silkscreens and a cordova grain. The photography was done by **Albert and James**. Underclass photos were taken by **Mr. John Rock**. The type style used was **Garamond** and **Garamond Bold** in 36 pt. for headlines, copy 10 pt., captions 8 pt. and miscellaneous was done in 18 pt. The 1981 Audion was awarded a first place award from the **ASPA** rating service.

As soon as I found out that I was to be the 1982 Audion editor, I started gathering ideas to make this the best yearbook ever. I wanted, like every other editor, to have a perfect book. I found this to be impossible. There are many conflicts to face during the year like, finances, proofs, organization and deadlines. With the largest staff ever I think we survived pretty well. We shared a lot of good times together, the workshop, breakfast, donut and pizza parties, late night deadlines and if you want an A you have to work for it! Thank you staff for making this a great year! Good luck **Debbie, Lisa** and **Brent**.

There are so many people to thank for helping make this yearbook possible, I hope I don't forget anyone. **Mrs. Laura Green, Mr. Ray Taylor, Mr. Don Bullen** and **Mr. Jim Turner** for getting me started while I attended **Currie**. **Carla Becker** and **Jim Hines**, my "mentors". **Lynn Blacker** for being a help whenever needed. The 1981 staff. **Konnie Krislock, Greg Miller, Maryellen Cummings, Larry Kluss** and **Greg Hemsoth** for being supportive and help finalize ideas. Everyone at **Herff** for helping fix the right spots. **Mr. Fowler, Dirk Carlson, Diana, Gordon, Dave, Jim, Roger** and everyone at **Albert and James** for fantastic photography and helping out at deadlines. All my teachers for letting me out, especially **Mr. Rolfe** and **Coach Falk**. **Mr. Brock Wagner** and **Peggy Lynch** for their support. All coaches, advisers and students who came through when needed. **Mr. Dennis Boucher** for being the best adviser ever, his family for letting us keep him until late, late hours. But most of all I want to thank **Mummy (Cuffy)** and **Daddy** for putting up with me, the book, deadlines, trips to A and J and the late hours. I love ya!

Smiles Capture The Memories

There are many different types of smiles, there are serious smiles, shy smiles, happy smiles and teathy smiles. A smile is a way of expressing one's feelings. With a smile one can show that they are excited or embarrassed. But no matter what type of smile, when someone is smiling, it makes them and everyone around them feel good. A smile can even make a person's day. The smiling faces of teachers, friends or even strangers can change bad things to good with just a smile.

1. **Mr. Rick Falk** shares his smile with his class.
2. **Kevin Kotler** shows off his shy smile.
3. **Ron Milligan** gets caught off guard, but continues to show his nice smile.
4. **Julie Rhorer** smiles a happy smile.
5. **Robyn Burnett, Andi Feldman and David Smith** want their smiles in the yearbook.

Memories Of THS Past

The Victory bell, the gauntlet and the eagle, what are these? They are just a few things of Tustin High's past, they are Tustin High.

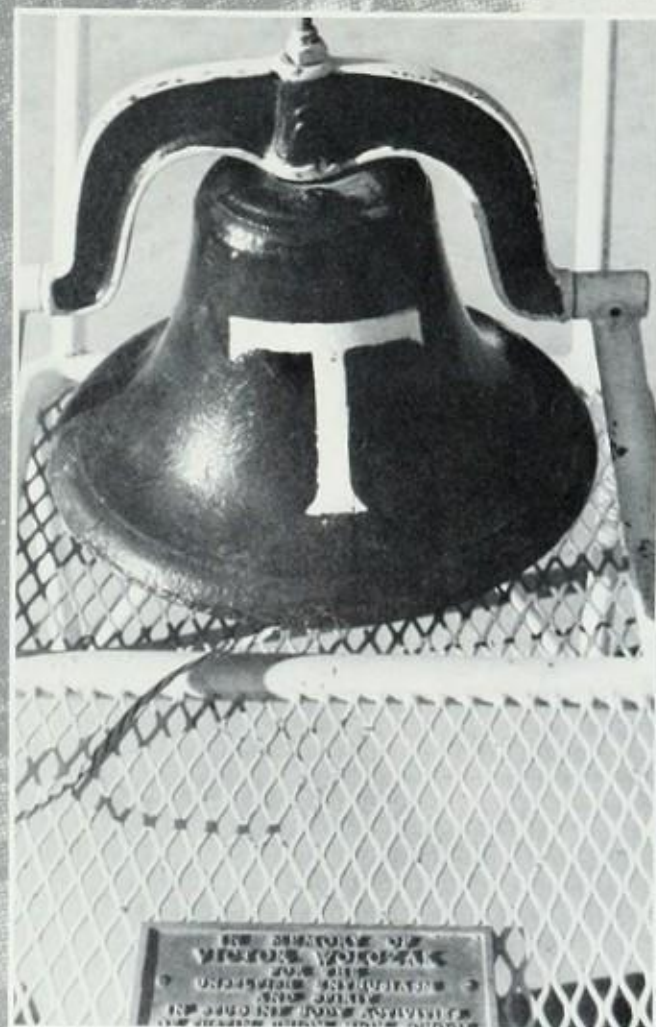

Tustin Union High School was started in 1921. At the time Tustin was known as the Farmers and the school colors were purple and gold. Only a few years later the name was changed to Tillers and the colors changed to Black and White. In the sixties the color red was added to brighten things up. Students in those days also came from far away as Mission Viejo, El Toro, and Laguna Beach.

The eagle was a decoration on top of the old school. The tradition was to get on top of the building and paint the eagle. The old building was torn down in 1966 and just before then, the eagle said goodbye to Tustin High. Now there is a resting place for the eagle in the quad.

The victory bell was started by Victor Wolczak in 1961. The bell was rung when Tustin won a game. The bell was dedicated to Wolczak after his death, which occurred while he was still attending Tustin High. This year the bell has been resurrected by Audion Editor Rene Matz. It was painted and unveiled at the Tustin vs. Santa Ana basketball game, which Tustin won.

2. The victory bell before it was restored.
3. The sundial left by the class of 1967.
4. The memorial left for the eagle by the class of 1965.
5. The Tustin emblem.

Background photo — The way it looked before it was rebuilt in 1966.

The cross town rivalry with **Foothill High School** did not begin until 1965 when the two teams played against each other in the **Orange Optimist Basketball tournament**. The golden gauntlet was originated by **Foothill** in the late sixties and is awarded to the winner of the **Tustin versus Foothill** football game. Since the inception of the rivalry, the two schools have battled each other in spirit and athletic contests for the right to own the championship of the city.

Winning is also a tradition at **Tustin High**. There are a number of trophy cases all over the campus, and they are not just for sports but music and speech as well. There are many trophies that are put away in storage and not displayed on campus too.

Around the school there are many memories left of people or memories left by various senior classes. The class of 1937-39 donated the clock by the weight room and the **Stanley gymnasium** built in 1927.

The senior lawn was left by the class of 1964, the **sundial** from the class of 1967 and the **time capsule** in the quad was left by the class of 1972 and it will be opened this year at their class reunion. The **Tustin emblem** was painted over, but was left as the class gift from the class of 1968. Memories of people are also left around campus. There are plaques for **J. Worthington Means**, the first administrator, **Ernest Byrne**, **Edwin Veeh** and **Stella Yocum** teachers from the past that left their mark, the field is dedicated to **Orville Northrup**, ex-principal and superintendent, there is also the **Don Castle Service** award given to an outstanding senior, **Castle** was a principal at Tustin and in the gymnasium there are portraits of other special who have made their mark.

Students who have made a special place at Tustin have memories left for them. There is a painting of **Larry Martin** in the gym, a tree dedicated to **David Basson** and the memorial wall dedicated to students who died while attending Tustin High.

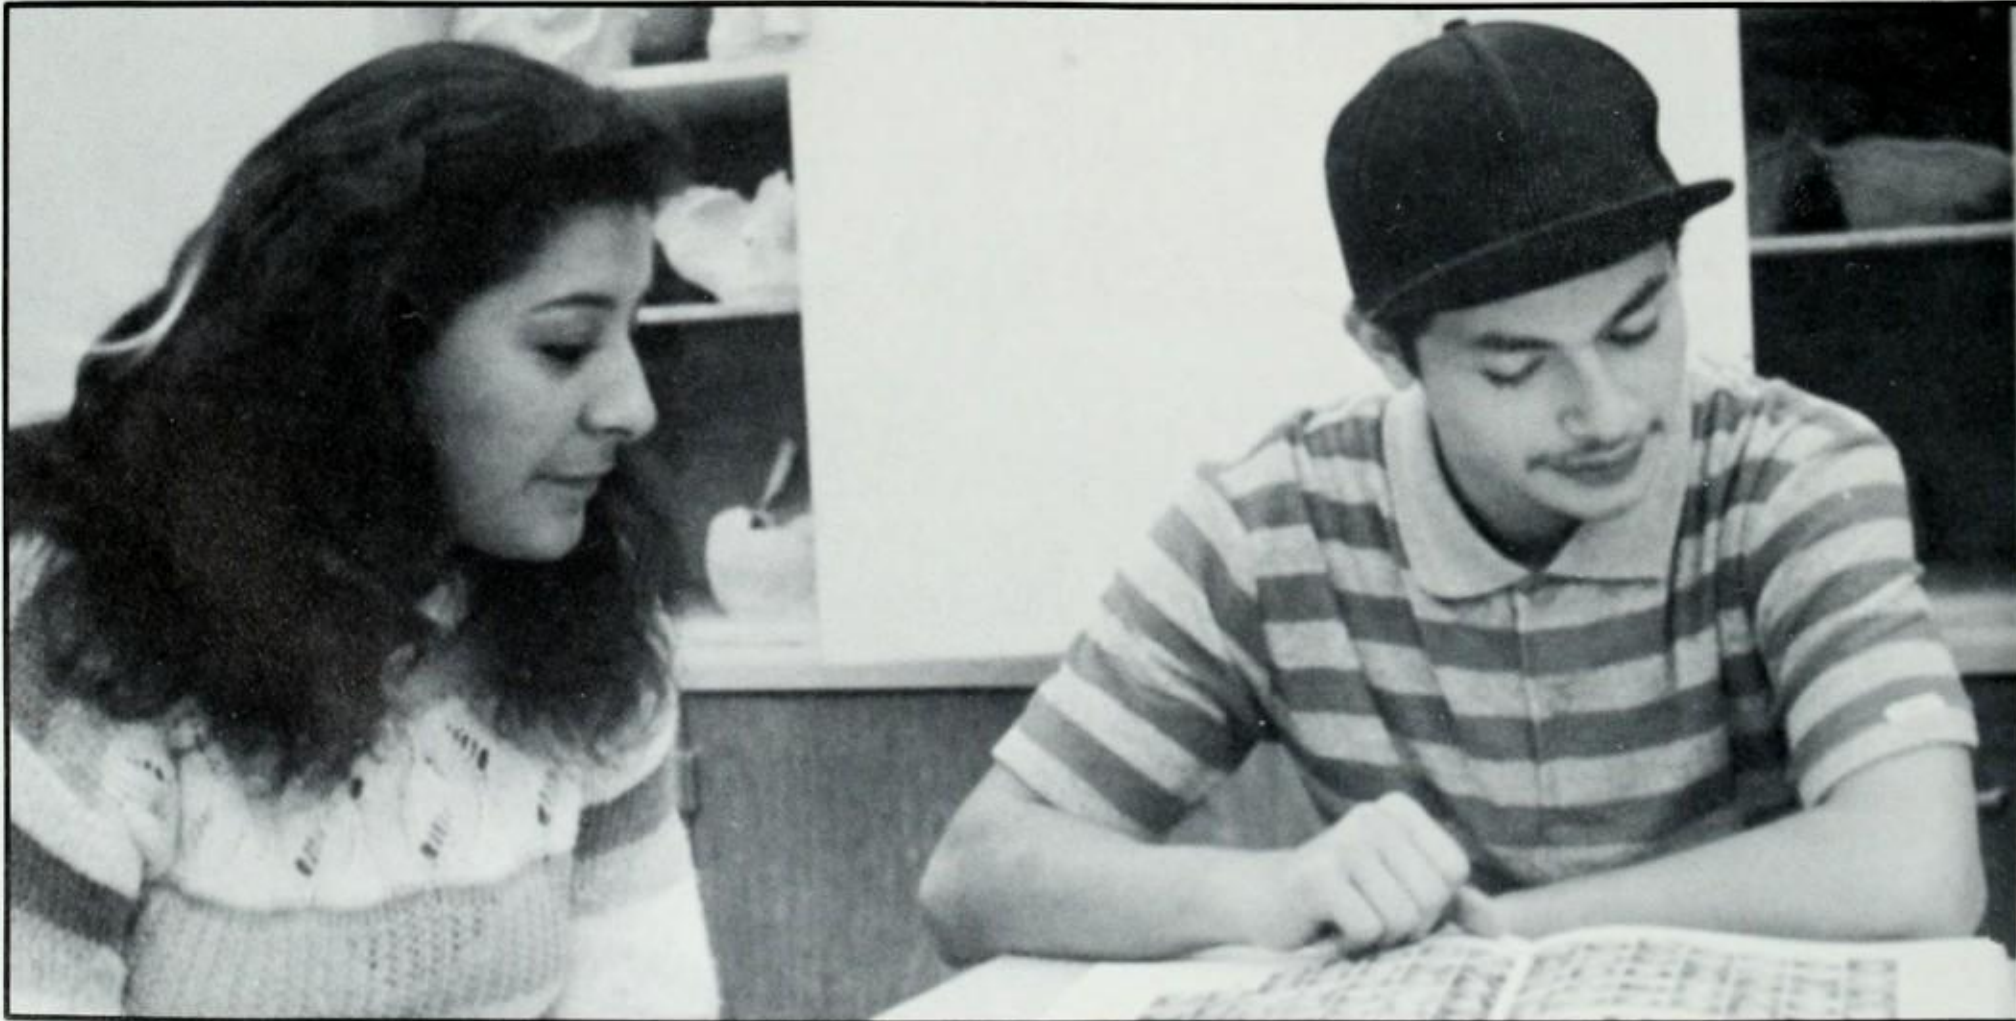

1. Senior Lisa Grencik waves goodbye to Tustin High.
2. Suzette Lipscomb and Jeff Marks capture the memories at the Winter Formal.
3. Cheerleaders booster signs help support the varsity basketball team.
4. Ellie Escobar and Greg Holland enjoy a happy time.
5. Tina Garza and Gilbert Ruiz reminisce about years gone by.

The Memories Of Yesterday

It just seems like yesterday that we were registering and preparing ourselves for the new school year. At the start of the year we were filled with joy to be back with friends, but there was a little fear inside too, having to come back to school and not knowing what to expect from the new year.

The year was filled with many happy times, the crowning of **Joy Borden** and **Kathy Smoot** as Homecoming and Pep Queens, winning and going to C.I.F. in many sports, dances and quiet times alone or with friends. These memories will not be forgotten. In the future they will be permanently stored in our minds forever. But, now for seniors and underclassmen as well, it is time to move on. To see new things, people and places. This end is just a beginning, as we go our separate paths. We will miss each other and be a little afraid to go on and grow, but we can continue. So say goodbye to Tustin High and remember yesterday once more.

Bill-
